Fraud Hotline

Financial accountability is a top priority for the City of Lake Oswego. A Fraud Hotline enhances awareness regarding the prevention and detection of fraud, waste, or other abusive or unethical activities. If you suspect fraud, waste, or abuse of City of Lake Oswego municipal government resources, we want to hear from you!

The City is committed to protecting your anonymity and your identity will remain confidential. In this spirit, we have contracted with a confidential 3rd party company – The Network – that specializes in hotlines of this nature. They will professionally and confidentially receive your information and guide you through the process.

Please contact the toll-free phone below and leave any information you wish that you would consider helpful, or send a confidential web-report directly from your personal computer.
