-

  Child Safety Seats

  Child safety seats, properly installed and used, save children's lives. Proper use of a child safety seat can reduce fatal injury by 71 percent for infants and 54 percent for toddlers.

  The Lake Oswego Fire Department and the Lake Oswego Police Department hold free quarterly safety seat clinics open to all citizens.

  Location: 300 B Avenue, Lake Oswego, OR

-

  CERT

  The Federal Emergency Management Agency, using the model created by the Los Angeles City Fire Department, began promoting nationwide use of the Community Emergency Response Team (CERT) concept in 1994. Since then, CERT's have been established in hundreds of communities.
