Secure Document Shredding

Community Shred Day

Twice a year the City sponsors a free community shred day for Lake Oswego residents. Typically held in the spring after tax day and in the fall, community shred day provides secure, on site document destruction. In addition, all shredded material is recycled at the end of the day, making shred day both secure and environmentally sustainable! Service is on a first come, first served basis and limited to the truck capacity.

The spring shred day was held on April 12, 2014. When the fall event is scheduled details will be in the *Hello LO* and on the community calendar .

Year-Round Resources

During other times of the year, secure document shredding services are available at UPS stores, which charge a per pound fee, and from other area vendors. To find current secure document shredding vendors, rates, and locations, visit Metro's Find a Recycler website or call the Metro Recycling information at 503-234-3000.

Identity theft prevention resources can be found in the brochure linked below. For questions about what to do if you are a victim of identity theft, visit the Police Department's identity theft website.
