# General Class & Activity Information

**Discover Active Living!**
Parks & Recreation offers a wide variety of classes & activities for preschoolers through seniors, all designed to help you Get Creative!, Get Interested!, Get Moving!, Get Outdoors!, and Discover Active Living.

**Tell Us What You Think!**
Please provide us with feedback about classes and activities using our on-line Program Survey (attached below). You may either submit it via e-mail, or print it and fax it to 503-697-6579, or mail it to Parks & Recreation, PO Box 369, Lake Oswego, OR 97034.

**Inclusion Policy**
The City of Lake Oswego believes that including all people in the fabric of society strengthens community, strengthens individuals and enhances quality of life. We promote inclusion and opportunties for choice to enhance the quality of life for our residents, including persons with disabilities. If you have a disability or need an accommodation, use the Inclusion/Other Info field available to provide your need when registering online, or please include a note along with your mailed or dropped off registration. You may also contact us at 503-675-2549.

**Priority Placement for Residents**
At the beginning of each of our 3 catalog seasons, Lake Oswego residents receive priority placement in classes and activities. Residents know immediately if they are accepted into a class or placed on a wait list. Non-resident registrations are accepted, but held on separate wait lists for about one week and then processed on a first registered basis. Confirmation letters are sent to non-residents notifying them of class placement or wait list status.
