Musicians Performance Application

Saturday Night Details

Saturday Nights are monthly teen events held the second Saturday of every month (with some exceptions), from October 2008-May 2009. The event runs from 8-11 pm at **The West End Building, 4101 Kruse Way, Lake Oswego.** Admission to the Java Jam is free of charge and an all ages show. Saturday Night Events are coordinated by the Lake Oswego Parks & Recreation Department, the Youth Action Council, and the Java Jam Teen Planning Committee.

1-All performers must be 21 years of age or younger.

2-The selected performers will have a 40-45 minute set. There will be 3 sets per night.

3- No part of your performance shall be used as a platform for political, religious or commercial use. The music, language (no profanity) and behavior must be appropriate for all ages.

4-The performance space is small so performers will need to have a minimal set up.

5-Each band needs to provide a Demo CD with their application OR a Myspace Link with music.

***Please note: You will not be selected to perform if you do not provide this!**

6-We will not provide any monetary compensation to the band for performing. You are welcome to bring any promotional material to sell at the event (cd's, t-shirts, etc.)

Mail application and CD to the Lake Oswego Parks & Recreation Department at
PO Box 369, Lake Oswego, OR 97035, or email to asap@ci.oswego.or.us
