

About the Adult Community Center

The Center is a dynamic, friendly and indispensable resource for the 50+ community

The Lake Oswego Adult Community Center (ACC), a division of the [Department of Parks and Recreation](#), is a nonprofit service and advocacy organization located in the First Addition Neighborhood in Lake Oswego. It is a multipurpose facility offering recreation, education and social services programs for adults 50 years and better. Established in 1970, it was the first senior center in Clackamas County and is now the third senior center to be awarded National Accreditation.

ACC Mission Statement

The ACC is a community focal point that celebrates aging through creative, inspiring and exciting opportunities that promote independence, as well as physical and emotional wellness.
