

Charitable Groups

[Creative Hands](#)

This group of crafty volunteers work exclusively with handicraft projects. Projects are made from donated materials which are then turned into useful items that are donated to various non-profit organizations.

[In Stitches Quilters](#)

If you have an unwanted quilt or a family quilt that you would like finished, the quilters are here to help! Donations are accepted and the proceeds benefit the Adult Center. Anyone interested in quilting are welcome to join the group. Each month a quilt is put on display for everyone to enjoy.
