

Apply for a Library Card

There are two ways to get a Lake Oswego Public Library card! You can get instant access to materials and resources when you apply in person, or you can [apply online](#) and your card will be mailed to you within 7 days.

Both methods require you to come into the Library with a current government-issued ID such as a driver's license, passport, or military ID card. High school students over the age of 16 may use their school issued ID card. If this ID does not have your current address on it, you will need to bring in proof of your residential address, such as a piece of mail, a bill, rental agreement, checks, or a property tax statement. Online statements are acceptable.

If you are **under 16**, you will need a parent or legal guardian to be present and to provide the identification listed above.
