

## **TEN IN TEN! Ask The Librarian Oracle for help!**

Placeholder

We can help you find books you'll like! How? Fill out our reader profile; answer as many questions as you wish. The more information you provide, the more likely it is that we can suggest books you will like. Leave areas blank when you have no preference. Librarians at the Lake Oswego Public Library will use your answers to create a customized reading list for you. We will get back to you in about ten days with your list of about ten books. Information will be kept in strict confidence between the patron and library staff. If you have any questions, or want to follow-up with us, please feel free to send us an email.
