

Pre-Application Neighborhood Representative Training

The City is inviting residents to attend pre-application conferences for projects occurring in their neighborhood. Attendees are limited to two people per meeting and are required to attend a City training on pre-application conferences. Only representatives who attend the training will be able to attend upcoming conferences.

Next Session:

Scheduled as needed. Please contact staff.

Training Materials :

The following handout and PowerPoint presentation are used during pre-application conference training sessions. To review these materials, click on the attachments below.
