

Sustainability Links and Resources

In addition to the resources included on the City's sustainability program pages, the following may be of interest:

- [Educational Resources](#)
- [Energy Conservation, Renewable Energy, and Climate Change](#)
- [Food, Farming, and Natural Gardening](#)
- [Green Building Resources, Classes & Materials](#)
- [State, Regional, and Local Government](#)
- [Sustainable Business and Living](#) - Business Resources, Community Based Organizations, News Services, Sustainable Living Resources
- [Transportation](#)
- [Waste Reduction, Reuse, Recycling, Toxics Reduction](#)

To delve more deeply into sustainability, visit the [Lake Oswego Library](#), where you will find an excellent collection of books and videos related to sustainability.

For some tips and resources for actions you can take today, check out this printable [Ten Tips for More Sustainable Living handout](#).

To get involved in community events, check out the City's [community calendar](#) and [volunteer opportunities page](#).

Do you know of a great resource that's not listed here? Please send suggestions to [Susan Millhauser](#), Sustainability Coordinator.
