Learn More About Sustainability Efforts

The City's efforts to share information and coordinate efforts with Lake Oswego residents, businesses, employees, regional partners, and others are on-going. Periodic articles in the <u>Hello LO</u>, the <u>LODown e-newsletter</u>, and the <u>Council Digest</u> cover topics related to City sustainability efforts and resources for sustainable living and business.

<u>Ten Tips for More Sustainable Living</u> provides a great starting point with ideas and resources you can take advantage of today. Additionally, links to a sampling of internet and Lake Oswego library resources can be found <u>here</u>.
