Scheduling Inspections Using a Touch-Tone Phone- 1-888-299-2821

If you need to schedule inspections using a touch-tone phone, please call **1-888-299-2821**. Please note you must know your IVR reference # associated with your specific permit you are scheduling inspections for and the 4-digit IVR code.

- To find IVR reference # please refer to the print out that you received from the Building Department when your permit was issued. Each specific permit obtained from the City of Lake Oswego will have a different IVR reference # associated with it.
