- - A screenshot of a webpage from the Oregon Department of Health Services. The page title is "Radon Mitigation Measures Mandatory". The content discusses the requirement for radon mitigation in newly constructed buildings in certain Oregon counties starting April 1, 2011. It lists the affected counties: Multnomah, Clackamas, Washington, Baker, Hood River, Polk, and Yamhill. The page also mentions that all new buildings submitted for review in the City of Lake Oswego will have to include construction details showing their mitigation strategies.

### [Radon Mitigation Measures Mandatory](#)

On April 1, 2011 the State Legislature made Radon Mitigation Measures Mandatory for all newly constructed buildings in the Counties of Multnomah, Clackamas, Washington, Baker, Hood River, Polk, and Yamhill.

As of April 1, 2011 All New buildings submitted for review in the City Of Lake Oswego will have to include construction details showing their Mitigation Strategies.
