Resources

[Fold3 History & Genealogy Archives](#)

Fold3 provides convenient access to US military records, including the stories, photos, and personal documents of the men and women who served.

[HeritageQuest](#)

This unique collection of genealogical material features the ability to search most Federal Census page images, indexed by name. The database also contains PERSI, the genealogy periodical index, Revolutionary War Pension records, and thousands of fully-downloadable digitized genealogy books.

[Ancestry Library](#)

(subscriber edition **not** accessible from patron's home -- only available at the Lake Oswego Public Library building)

Ancestry produces what is often considered the preeminent genealogical database. In addition to fully indexed census records of all US census years, Ancestry contains thousands of other databases, including ship's records, banking records, vital statistics, and many, many more.

Genealogy Book Collection

Our Genealogical Collection at the library is a wonderful resource for researchers. Included in this collection are books like the Passenger and Immigration Lists Index and the DAR Patriot Index. We also have books of church and vital records for various states, and much more.

Magazines

American Spirit, Genealogical Forum of Portland Bulletin, Genealogical Forum of Portland Newsletter, Internet Genealogy, Oregon Historical Quarterly.
