

How Do I?

This is where you can find some common items that are requested from the fire department.

Use the following links for our forms and documents.

[Find Closest Hydrant](#)

The City of Lake Oswego has an interactive map available to search for information. One of these is a hydrant map that will show the hydrants (Marked in red) and the water lines with sizes.

Click [HERE](#) for interactive map.

[Schedule a Station Tour](#)

We regularly schedule tours of our neighborhood fire stations as part of our public safety education programs for groups with a minimum of 5 and maximum of 20 people. In smaller groups you are welcome to stop by a station for a visit. If the firefighters are in they can show you the fire engine.
