

Low-Income Assistance

Care / Share Nutrition

Volunteers from the community assemble and deliver food baskets each month to people in need. Cosponsored by Lake Grove Presbyterian Church. If you are in need or know someone who is, please contact us at 503-635-3758.

[Low Income Home Energy Assistance Program](#)

This federal program provides assistance with winter heating bills to low-income residents of Clackamas County. LIHEAP opens on October 1 for priority groups (over 60 or disabled) and opens to the general public on December 1 as funding allows. Income guidelines have yet to be released; however, 2011/2012 guidelines were 1757.00 per month for a single individual or 2,298.00 per month for a couple. These guidelines are expected to change in 2012-13. Please call the Energy Assistance Line for further information at **503-650-5640**. If your heat has been shut off or if you are facing shutoff, please call the Energy Assistance Line and leave a message describing your circumstances.

[Lunch Service](#)

Enjoy a delicious, hot, well-balanced meal for lunch, served in the Oak room by volunteers on Mondays, Wednesdays, and Fridays.
