

## How to Search for Foreign Language DVDs

The screenshot shows a search interface with the following elements:

- Navigation tabs: **Keyword Search**, **Exact Search**, **Advanced Search**, **New Ar**
- Text: "How do I...? Why login?"
- Instruction: "Enter your search terms and click Search to s"
- Search box: A text input field.
- Dropdown menu: "Any Keyword" with a downward arrow.
- Search button: A blue button labeled "Search".
- Filter "Library": A dropdown menu set to "ALL".
- Filter "Format": A dropdown menu set to "- DVDs".
- Filter "Audience": A dropdown menu set to "ANY".
- Filter "Language": A dropdown menu set to "Arabic".

You can easily use the [Library Catalog](#) to search for foreign language films by making the following changes to the Keyword Search screen:

**Search box:** (Leave blank)

**Library:** ALL (or select a specific library)

**Format:** DVDs

**Audience:** ANY

**Language:** (select language of your choice)

Click the blue Search button to view your results!
