NEIGHBORHOOD ASSOCIATION CONTACT INFORMATION

Contact information for the 21 recognized neighborhood associations can be found in the "Neighborhood Associations Contact List" provided below. This list includes the primary contact, mailing address, phone number, e-mail address and website information if available. It also includes contact information for "Other Neighborhoods" and "County Community Planning Organizations" that have not yet completed the city recognition process.

The "Neighborhood Association Board List" contains contact information for all board members of each of the City's recognized neighborhood associations.

These lists were last updated on 01/21/2015.

Any questions or corrections to these lists should be forwarded to [Iris McCaleb](#).
