

Painted Violins

Attention music and art lovers: two Painted Violins will be on display at the Library April 4-15. The Portland Youth Philharmonic invited eighteen renowned West Coast artists and three PYP musicians to transform violins into works of art. Selections from PYP's Painted Violins are currently available for public viewing at fifteen different locations including the Lake Oswego Library. Several of these unique works of violin art will be live auctioned at the Painted Violin Gala. The Gala will be held in Portland at the Governor Hotel, April 19, 2013 5:30 pm.
