

Global Issues in Context (LOPL only)

[Global Issues in Context](#) offers global perspectives on issues of international importance and current world events and topics in the news related to these issues.

Not a pro and con database, Global Issues in Context is a truly non-U.S. centric resource that ties together a variety of sources to present a rich analysis of issues — providing information seekers with a framework to better understand 21st-century issues and events while highlighting global connections and the interdependence of all nations.
