## **Development Recommendations by Activity,**

<b>Amphitheaters</b>	
goals and objectives .....	31-37
land requirements .....	91-93, 97-98
standards for demand (participation model).....	91-93, 112
existing/proposed sites.....	291
map .....	293
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
<b>Baseball/softball fields</b>	
goals and objectives .....	31-37
land requirements .....	91-93, 96-97
standards for demand (participation model).....	91-93, 108
existing/proposed sites.....	247, 251
map .....	249, 253
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Technical findings and implications <i>June 23, 2001 Athletic Field Requirements</i> (Appendix)	
<b>Basketball courts, outdoor</b>	
goals and objectives .....	31-37
standards for demand (participation model).....	91-93, 105
existing.....	229
map .....	231
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Beach swimming (See Swimming)	
<b>Biking</b>	
goals and objectives .....	31-37
off-road mountain bike trails,	
existing/proposed sites .....	184
map .....	189
PLOS development costs.....	APP 33-35, APP 38-41 (Appendix)
on-road bicycle tour routes,	
standards for demand (participation model) .....	91-93, 103-104
existing and proposed.....	191-193
map .....	197
PLOS development costs.....	APP 33-35, APP 38-41 (Appendix)
trailhead & access, off-road mountain bike trails.....	185

Boating	
goals and objectives .....	31-37
land requirements .....	91-93, 95
standards for demand (participation model).....	91-93, 101
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Hand-carry boat launch sites,	
existing/proposed sites .....	141-142
map .....	143
Powerboat launch ramps,	
existing/abandoned and proposed sites.....	136-137
map.....	139
Camping, tent and vehicle	
land requirements .....	91-93, 95
standards for demand (participation model).....	91-93, 102
Community centers, indoor	
goals and objectives .....	31-37
land requirements .....	91-93, 97-98
standards for demand (participation model).....	91-93, 110
Arts and craft facilities,	
existing/proposed sites .....	267
map .....	269
PLOS development costs.....	APP 33-35, APP 38-41 (Appendix)
Auditorium, stages, and large meeting facilities	
existing/proposed sites .....	275
map .....	277
PLOS development costs.....	APP 33-35, APP 38-41 (Appendix)
Child center,	
daycare and pre-school,	
existing/proposed sites .....	283
map .....	285
PLOS development costs.....	APP 33-35, APP 38-41 (Appendix)
before/after school	
existing .....	287
Classroom, meeting, and small training rooms	
existing/proposed sites .....	271-272
map .....	273
PLOS development costs.....	APP 33-35, APP 38-41 (Appendix)
Kitchen and dining facilities	
existing/proposed sites .....	279
map .....	281
PLOS development costs.....	APP 33-35, APP 38-41 (Appendix)

Senior center	
existing/proposed sites .....	287
map .....	289
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Teen center	
existing/proposed sites .....	287
map .....	289
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
See also Recreation Center, indoor	
Conservancies, environmental .....	127-128
goals and objectives .....	31-37
land requirements, standards for demand (participation model) .....	90-95
Conservancies, historical .....	128-129
goals and objectives .....	31-37
existing/proposed sites .....	129-131
map .....	133
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Fishing	
goals and objectives .....	31-37
land requirements .....	91-93, 95
standards for demand (participation model) .....	91-93, 101
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Football fields	
goals and objectives .....	31-37
land requirements .....	91-93, 96-97
standards for demand (participation model) .....	91-93, 107
existing sites .....	243
map .....	245
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Gateways (See Streetscape corridors and improvements)	
Golf courses	
goals and objectives .....	31-37
land requirements .....	91-93, 98
standards for demand (participation model) .....	91-93, 111-112
existing .....	295
map .....	297
Gun & archery ranges	
goals and objectives .....	31-37
land requirements .....	91-93, 98
standards for demand (participation model) .....	91-93, 112

Historical sites (see Conservancies, historical)	
Lacrosse	
goals and objectives .....	31-37
proposed level of service additions by activity .....	APP 42-57 (Appendix)
Technical findings and implications <i>June 23, 2001 Athletic Field Requirements</i> (Appendix)	
Nature centers and museums	
goals and objectives .....	31-37
land requirements .....	91-93, 98
standards for demand (participation model) .....	91-93, 111
existing/proposed sites .....	291-292
map .....	293
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Open Space (resource conservancies)	
goals and objectives .....	31-37
park properties by resource and activity type .....	APP 36-37 (Appendix)
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Park land (resource activities)	
land requirements, standards for demand (participation model) .....	90, 91-93
park properties by resource and activity type .....	APP 36-37 (Appendix)
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Picnic tables and shelters	
goals and objectives .....	31-37
land requirements .....	91-93, 95
standards for demand (participation model) .....	91-93, 100
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
shelters,	
existing/proposed sites .....	153
map .....	155
tables,	
existing/proposed sites .....	149-150
map .....	151
Playgrounds	
goals and objectives .....	31-37
land requirements .....	91-93, 95
standards for demand (participation model) .....	91-93, 104-105
existing/proposed sites .....	223-225
map .....	227
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Programs, recreational	
goals and objectives, recreational programs .....	31-37
goals and objectives, cultural arts programs and resources .....	31-37

Recreation centers, indoor	
goals and objectives .....	31-37
land requirements .....	91-93, 97-98
standards for demand (participation model) .....	91-93, 110
Gymnasiums,	
existing/proposed sites .....	259, 263
map .....	261
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Physical conditioning facilities,	
existing/proposed sites .....	263-264
map .....	265
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Racquetball courts,	
existing sites .....	233
map .....	235
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Squash courts,	
existing sites .....	233
map .....	235
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
See also Community Center, indoor	
Resource parks	
general proposals .....	135
Restrooms, public	
existing/proposed sites .....	303
map .....	305
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Skateboard Court	
goals and objectives .....	31-37
standards for demand (participation model) .....	91-93, 105
existing/proposed sites .....	230
map .....	231
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Soccer fields	
goals and objectives .....	31-37
land requirements .....	91-93, 97
standards for demand (participation model) .....	91-93, 108
existing/proposed sites .....	237-238
map .....	239, 241
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Technical findings and implications <i>June 23, 2001 Athletic Field Requirements</i> (Appendix)	

Softball fields (See Baseball/softball fields)	
Special purpose facilities	
goals and objectives .....	31-37
land requirements .....	91-93, 98
Streetscape corridors & improvements (incl. Gateways, Crossroad Gateways) .....	208-215
existing/proposed sites.....	213-215
boardwalk plans and elevations (drawings).....	209
map .....	211
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Support facilities, recreational	
land requirements .....	91-93, 98-99
standards for demand (participation model).....	91-93, 113
existing/proposed sites.....	299
map .....	301
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Swimming, beach front (See Waterfront Access)	
Swimming, pool	
goals and objectives .....	31-37
standards for demand (participation model).....	91-93, 109
existing/proposed sites.....	256
map .....	257
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Tennis Courts	
goals and objectives .....	31-37
standards for demand (participation model).....	91-93, 107
existing sites.....	233
map .....	235
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)
Tent & Vehicle Camping	
standards for demand (participation model).....	91-93, 102
Tracks, jogging	
goals and objectives .....	31-37
standards for demand (participation model).....	91-93, 109
existing sites.....	243
Trails & trailhead access	
goals and objectives .....	31-37
land requirements .....	93-96
existing sites.....	207
PLOS development costs .....	APP 33-35, APP 38-41 (Appendix)

## **Development Recommendations by Facility,**

Existing public facilities and conditions.....	41-45
Development,	
costs by facility/site	APP 42-57 (Appendix)
proposed additions/improvement by site (proposed level of service)	APP 33-35 (Appendix)
Properties with parks, recreation, and open space uses .....	APP 36-37 (Appendix)

## **Finance,**

Existing level of service	
costs of maintaining existing level of service (ELOS) through 2015	115-117
costs to meet recommended standards (Proposed Level of Service-PLOS)	91-93
Proposed level of service	
Development costs by facility/site	APP 33-35 (Appendix)
Development costs by activity	APP 42-57 (Appendix)
Prototype trail development costs	APP 58-66 (Appendix)

## **Standards,**

Development,	
boardwalk plans and elevations .....	209
horseback riding and carriage clearances.....	165
maintenance and emergency vehicle clearance.....	205
multipurpose trails, volume/density.....	201
off-road mountain biking, clearance classes .....	187
on-road bicycling: volume/density, American Association of State Highway and Transportation Officials (AASHTO) ratings.....	195
walking and hiking trails (city-wide), clearance classes .....	173
Participation model for usage demand (National Recreation and Park Association) calculation, explained.....	89-90
See Recommendations by Activity for ratio standards for specific activities (i.e. soccer fields, playgrounds, etc.)
