RE: Application of John Benjamin Chessar
File No.: LU 120005

Dear Mr. Creighton:

I fully support Ben and Emily's application to update their home. They are excellent neighbors who have done a beautiful job of maintaining a very beautiful, but high maintenance yard and historically significant home. Clearly, they love it and want to raise their family there. However, they need to update it in order to keep its functionality as a comfortable family home.

The Chessars have demonstrated their remodel will enhance their property and, by extension, our neighborhood. Their plan reflects their attention to maintaining its character and minimizing the impact of a relatively modest update. Please grant them approval to proceed.

Sincerely,

Libby Brennan
