Dear Mr. Creighton:

My name is Jean Eaton and I live on the property in the house which is closest to Ben and Emily Chessar. I fully support the remodeling project which is proposed to provide updates to modernize their house.

Since moving here almost five (5) years ago, the Chessar's have been wonderful neighbors to me and they have always provided attentive care to the appearance of their special home. Based on my experience, I know they will continue with this care throughout their remodel.

Sincerely,

Jean Eaton
