You can shape Lake Oswego’s future by planning for people, places and prosperity.

Join your friends and neighbors in discussion around the goals and policies that will guide future priorities for Lake Oswego's Community Culture.

Our educational, cultural and recreational opportunities strengthen the social fabric of the community. Our top-rated schools offer excellent education and reinforce the value of the community as a desirable place to raise a family. Our outstanding library, parks, and community amenities provide a wide range of programs and special events. Public art and historic resources enrich our cultural identity.

COMMUNITY CULTURE VISION STATEMENT

The City of Lake Oswego is updating its Comprehensive Plan which is the blueprint for the community over the next 25 years. The Plan includes goals and policies that are used by City leaders to make decisions about the city's future. There are seven action areas which will be the basis of community discussion over the next year.

Watch for upcoming Community Summits!
