STATEMENT OF ACCEPTANCE OF TERMS

I have read and understand the Washing Machine Replacement Program Guidelines and limitations. I understand that I must recycle the old model and that they are not to be reused. I also understand that I will allow a City Staff person if requested and with a scheduled appointment, to visit my home/business and verify the information submitted with the application prior to receiving a rebate. Rebates will be on a first come first serve basis. I understand that this rebate program may be discontinued at anytime due to unavailability of funding, or other reasons as may apply and that approval of this application may not guarantee a rebate by the City in such cases.

Applicant's signature: _____ Date: _____

Please submit completed applications with copies of receipts no later than 90 days from the purchase date!

Water Conservation Program Washing Machine Rebate
City of Lake Oswego
P.O. Box 369
Lake Oswego, OR 97034

Overview: Commercial/Residential Washing Machine Rebate Program

The City of Lake Oswego offers a Washing Machine Replacement Program that encourages commercial and residential water customers to replace their washing machines with efficient water-conserving models to save water and money. Commercial businesses and residential property owners that receive water from the City of Lake Oswego may replace **a maximum of one** washing machine per account. Machines being replaced must qualify for the State of Oregon residential tax credit. Rebates are offered on a first come first served basis and will continue until current funding is exhausted. To review Department of Energy tax credit guidelines and search qualifying models go to:

<http://www.oregon.gov/ENERGY/CONS/RES/tax/appliances.shtml>

Rebate:

- **\$75.00** per qualifying machine

Application Guidelines: Commercial/Residential

- Washing Machine must be installed in a property/business that receives water from the City of Lake Oswego.
- Washing Machine must be installed within 90 days of purchase.
- Rebate will cover qualifying machine purchased from March 1, 2011 and until current funding is depleted.
- Washing Machine must be purchase by a Lake Oswego Water Account holder.
- There is a limit of one (1) machine per account for rebate.
- Rebates will be reflected as a credit on the water account within four (4) to six (6) weeks of approval.
- Rebates will not be issued on **new** home/commercial construction projects.
- ***Participants agree to disable and/or recycle their old machines.***
- Applications must be submitted with a copy of the sales receipt showing the brand, model **and proof of recycling.**

Area recyclers:
