Dog License Application

A dog license must be procured by paying the City a fee, not later than 30 days after the person becomes keeper of the dog, if the following applies:

- If your residence is within the City of Lake Oswego's boundaries, then State law requires that you obtain a dog license from the City.
- To ensure all dogs are properly immunized, licensing programs were formed by counties and cities following Oregon Revised Statutes 609.030 to 609.405, which say "every person keeping a dog that has a set of permanent canine teeth or is six months old, whichever comes first, shall procure a license for the dog."
- Administrative Rules for the State of Oregon Health Division (Chapter 333, Division 19, Section 345) require all dogs six months of age and older to be immunized against rabies.

City applications for dog licenses may be obtained at City Hall, or downloaded below and printed.

Fees range from \$24 to \$108 as illustrated in the table below. Call 503-635-0255 for further information.
