

Popular Materials

You'll find our Popular Materials Collection on the main floor of the library; it includes new books, fiction, large print books, magazines, newspapers, videos, audiobooks, mysteries, science fiction, westerns, graphic novels, and some software.

Videos are also found in the nonfiction collection upstairs and downstairs in the children's collection. The Teen / Young Adult section is also located on the main floor. If the item you are looking for is checked out, or at a different Clackamas County Library, you may reserve ("place a hold on") the item, and you will be notified when it is available for you. Get assistance finding a title or placing a hold at the Fiction/Popular Materials desk.
