Street Lights

Have you seen a street light that is out, on during the day, damaged or is flickering on and off?

The City of Lake Oswego is responsible for maintaining the street lights in Lake Oswego.

Please call Public Works at 503-635-0280 to report this street light.

To report the light issue, please have the following information:

- Street Address (including number address if available)
- Map ID Number
- Pole Number

The Map ID and Pole Number can be found physically on the pole. It will be printed on a small silver tag, typically located at eye level. See examples of identification tags below.
