

Sustainability Action Month

Sustainability Action Month 2012 has come to a successful completion, but sustainability related events and programs are ongoing. A big thanks to everyone who hosted an event, helped spread the word, or attended an event! To see a list of the May 2012 events, see the attachment below.

Feel free to [contact us](#) with any questions about Sustainability Action Month.

About Sustainability Action Month

Occurring at venues throughout the City, Sustainability Action Month presents opportunities to explore and solidify the community connections that make Lake Oswego a great place to live and work, and provides participants with inspiration and tools to move toward a more sustainable lifestyle and community. Events are open to the public and cater to all groups—businesses, families, individuals and employees. Sustainability Action Month is sponsored by the [Sustainability Advisory Board](#).

More Sustainability Resources

For a whole host of sustainability resources, visit the City of Lake Oswego's [Sustainability Links and Resources page](#) or find specific resources under each sustainability program page.
