

Low-Income Assistance

Care / Share Nutrition

Volunteers from the community assemble and deliver food baskets each month to people in need. Cosponsored by Lake Grove Presbyterian Church. If you are in need or know someone who is, please contact us at 503-635-3758.

Low Income Home Energy Assistance Program

The Clackamas County Energy Assistance Program is a federal program that assists low-income households with their heating bills. LIHEAP funds may be used to assist those who heat with oil, natural gas, electricity, wood, propane or pellets. To add your name to the waitlist call the energy assistance line at (503) 650-5640, listen carefully to the menu options and choose the one that is most appropriate for you.

Additional Low Income Services

Additional low income services for housing and food resources may be available. Call the ACC at (503) 635-3758 for more information.
