

How to Search for Foreign Language DVDs

The screenshot shows a search interface with a navigation bar at the top containing 'Keyword Search', 'Exact Search', 'Advanced Search', and 'New Ar'. Below the navigation bar, there is a search box and a 'Search' button. The search box contains the text 'Any Keyword'. Below the search box, there are four dropdown menus: 'Library: ALL', 'Format: - DVDs', 'Audience: ANY', and 'Language: Arabic'. The 'Search' button is blue and is located to the right of the search box.

You can easily use the [Library Catalog](#) to search for foreign language films by making the following changes to the Keyword Search screen:

Search box: (Leave blank)

Library: ALL (or select a specific library)

Format: DVDs

Audience: ANY

Language: (select language of your choice)

Click the blue Search button to view your results!
