

Pay Here Online or View Billing History

The City currently offers Utility Billing (to pay and/or view billing history online), Renewal of Business Licenses and payment of Municipal Court Citations online. You can make payments without an account or create an online account for payments and viewing your billing and consumption history using our [Online Payments service](#).

[Pay Your Utility Bill Online and/or View Statements](#)

Utility Online is a program where you can review your utility account, pay bills, see past bill amounts and payments, water consumption history over two years, and make MasterCard or VISA credit card payments online from the convenience and security of your home computer. If you do not want to pay your bill online, you can still sign up for Utility Online as a way to access historical billing information.

To create a new account for Utility Online

Create Your Utility Member Profile: You will need your utility account number (including dashes) and your last payment amount. Click on Utility Online and proceed. Note - You only need your last payment amount to create an account. You will not need it to login in the future.

Access Past Utility Bill Statements

Through the City's Utility Online program above, you can sign up and view your past utility bills as well as see payments that you have made. The program also allows rate payers to pay their bill online, *however you do not have to sign up for online bill pay in order to access statement and payment information.*

[Business License Renewals](#)

Through the Online Business License Renewals Program, you can review your prior business licenses and make credit card payments online. (New Business Licenses need to be paid by check or money order.)
