

Code Amendments Public Information Meeting

A **Public Information Meeting on Amendments to the City Code** is scheduled for Tuesday, November 13, from 6:00 to 8:00 p.m. in the Willamette Room at the West End Building, 4101 Kruse Way.

This meeting is an opportunity to provide information to the public and answer questions on the proposed amendments to following chapters of the City Code:

Chapter 12: Administration

Chapter 42: Streets and Sidewalks

Chapter 47: Sign Code

Chapter 50: Community Development Code

Annual amendments to the Community Development Code come from different sources. This year, they were identified through and as a result of the Phase 1 Code-Reorganization Project, from City Staff through use and application of the Code, and items identified in the Downtown Analysis by Michele Reeves. A portion of this project continues the work of the 2010 Community Development Code Audit and the Phase 1 Code Reorganization completed earlier this year.

These amendments will be considered by the Planning Commission in January 2013.

To learn more about the Public Information Meeting and to review reports, draft code language and exhibits from the Planning Commission work session go to
