Celebrate trees during Arbor Week!

Lake Oswego's Arbor Week celebration continues through Saturday, April 13. Celebrate trees with your family, friends, and neighbors at these upcoming events:

Thursday, April 11

Tree City USA and Heritage Tree Celebration

12-1:30 pm at the Jean Road Fire Station, 4555 Jean Road

The City is celebrating its 24th year of Tree City USA designation by the National Arbor Day Foundation. Stop by the Jean Road Fire Station to learn more about what it means to be a Tree City and enjoy a snack while admiring one of Lake Oswego's new Heritage Trees, a 39-inch diameter Oregon white oak.

Friday, April 12

Plant a Tree, Free a Tree

3-4 pm, Springbrook Park, Sundeleaf Drive entrance

Students from Lake Oswego Junior High School will be planting native trees in Springbrook Park. Stop by to support their hard work and enjoy a walk along the gentle pathways through the trees in this beautiful natural area. You can also lend a hand and free a tree from invasive English ivy! Please bring work gloves and pruning shears if you have them.

Saturday, April 13

Three Cheers for Trees, A Puppet Show

Trees are everywhere, but how much do we know about them? This delightful sing-along show is entertaining as well as educational! Performance made possible by the Friends of the Library.
