Name the Street Sweeper Contest Winners

Lake Oswegans got very creative in submitting names for our sweeper, people voted for your favorites, and the winners are...(drum roll please)...Oscar, Roovis and Bert! Three excellent names for our fleet of street sweepers!

The winning name for our new A7000 Tornado is Oscar the "Oswego Sweeper Car." It was created by Wendy Morean and Ray Gragg. The team, which on other entries included Wendy's husband Von Jensen, submitted eight names, many of which were a subject of discussion by the judging team due to their creativity and added slogans. Another finalist, LOIUS "Lake Oswego's Uniquely Incredible Sweeper" was also submitted by Wendy.

The two names which will be given to the other two sweepers in the fleet are Roovis (Rapid Oscillating Oswego Vehicle of Intense Sanitation, submitted by Cathie Recker and BERT (street sweeper from Mary Poppins), submitted by Rebecca Duncan.

We are excited to introduce Oscar, Roovis and Bert and thank them for traveling over 6000 miles a year in Lake Oswego, helping to keep our streets and water safe and clean. Keep your eyes open and see if you can spot each one as they travel through your neighborhood. Also, Oscar will be on display on May 18 at the opening day of the Farmers Market.
