

Lake Oswego Celebrates 25th Year as a Tree City USA

This April, the City of Lake Oswego kicks-off its celebration of 25 years as a Tree City USA (TCUSA)! TCUSA status is awarded by the National Arbor Day Foundation to communities that demonstrate a commitment to managing and caring for trees. Over the last 25 years, Lake Oswego has met TCUSA standards by maintaining a tree board, tree ordinance, minimum \$2 per capita expenditure for tree planting and maintenance, and organizing an annual celebration and proclamation of Arbor Day.

In honor of this benchmark anniversary, Lake Oswego's Urban & Community Forestry program will be celebrating trees with workshops and events every month throughout 2014, starting in April.

Ways to Celebrate
