Recreational Pool Survey Results
February 2021

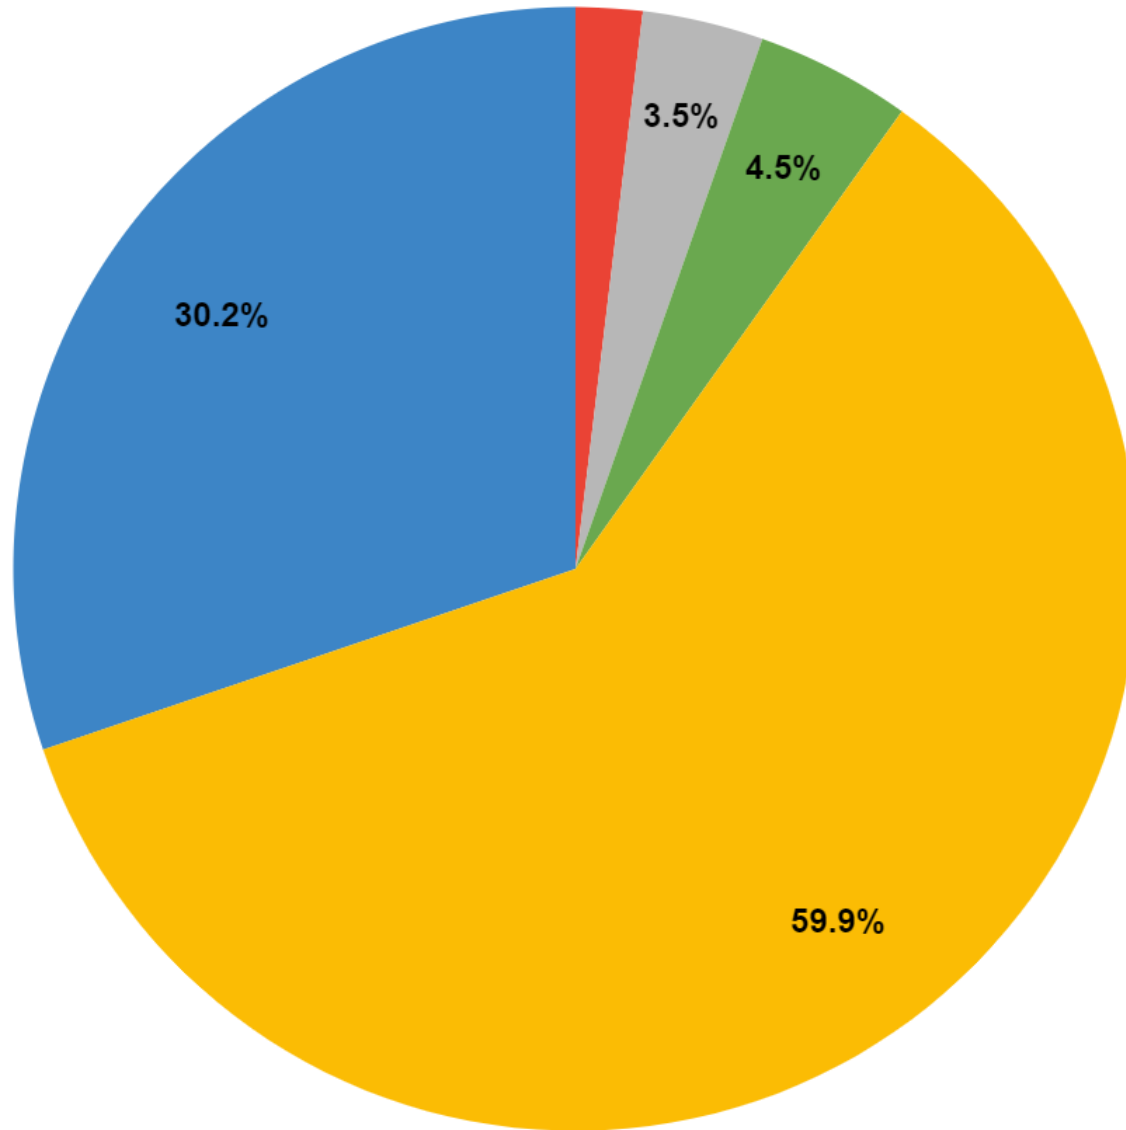

Recreational Pool Survey

Purpose: To aid in the design of the Lake Oswego Recreation and Aquatics Center, a survey was used to gather input on the recreation pool. The recreational pool is only one part of the recreation and aquatics center. The survey is one of a number of methods that will be used to gather input on the design.

Dates: January 15 to January 31

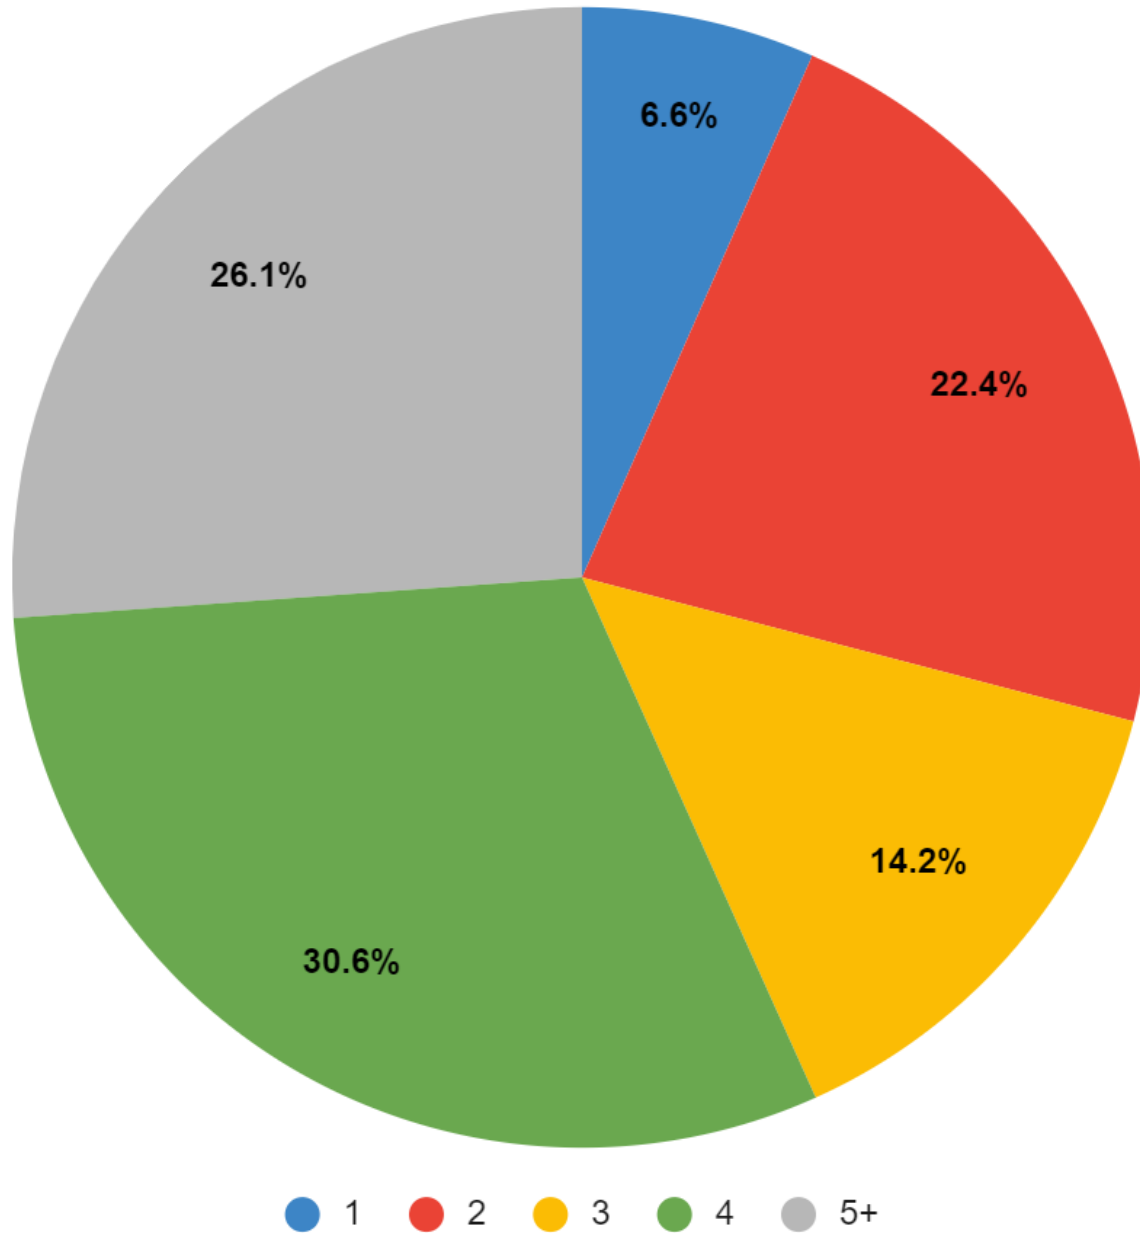

Survey participants: 2085

What age group best describes you?

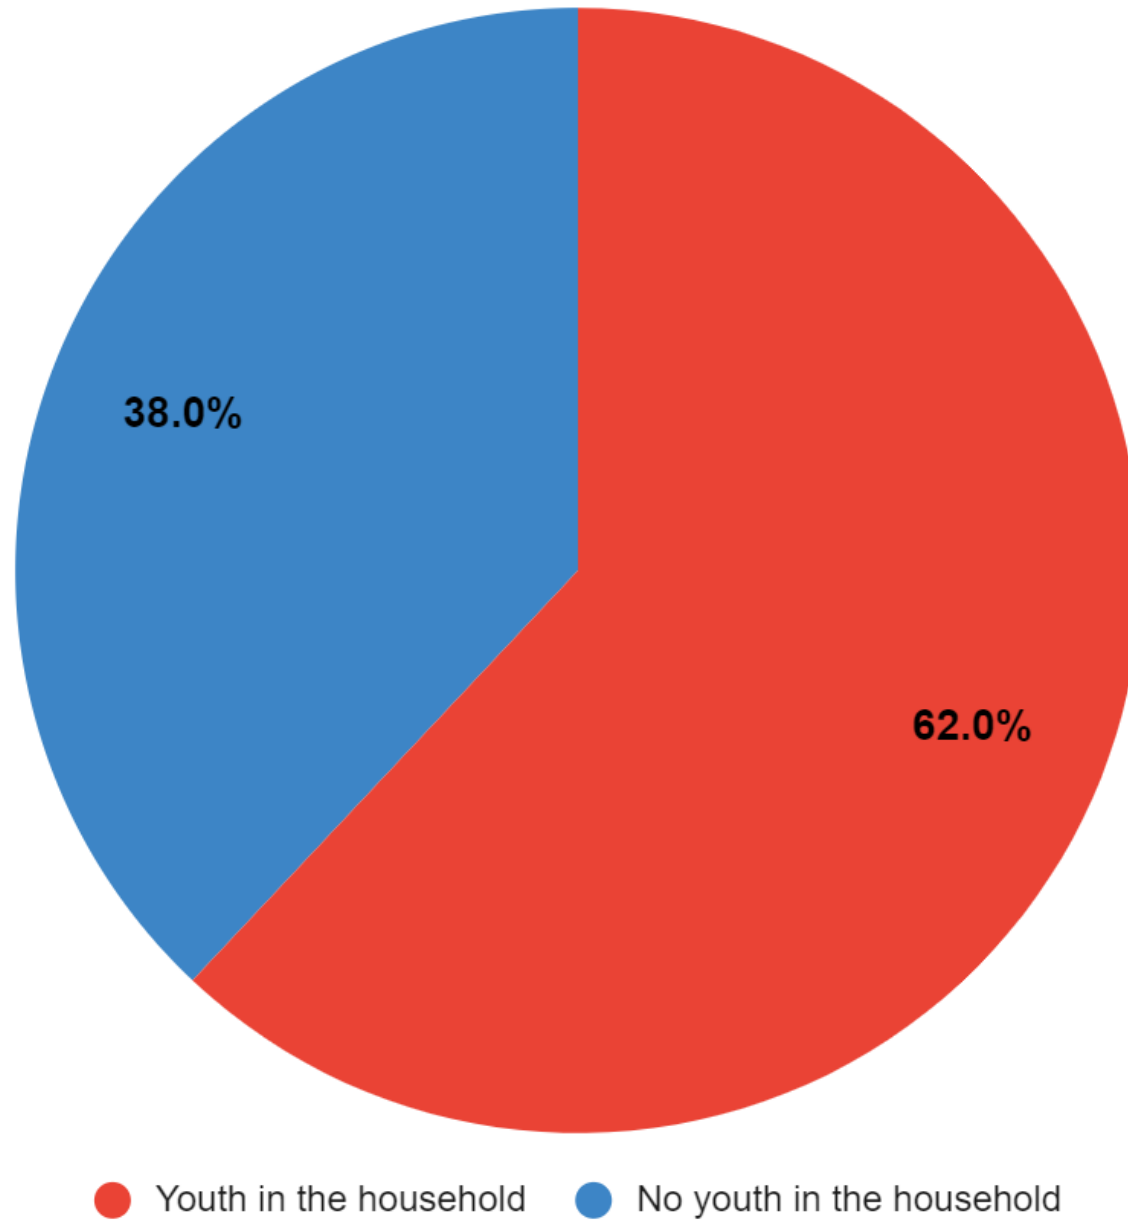

● 0-13 years ● 14-18 years ● 19-34 years ● 35-59 years ● 60+ years

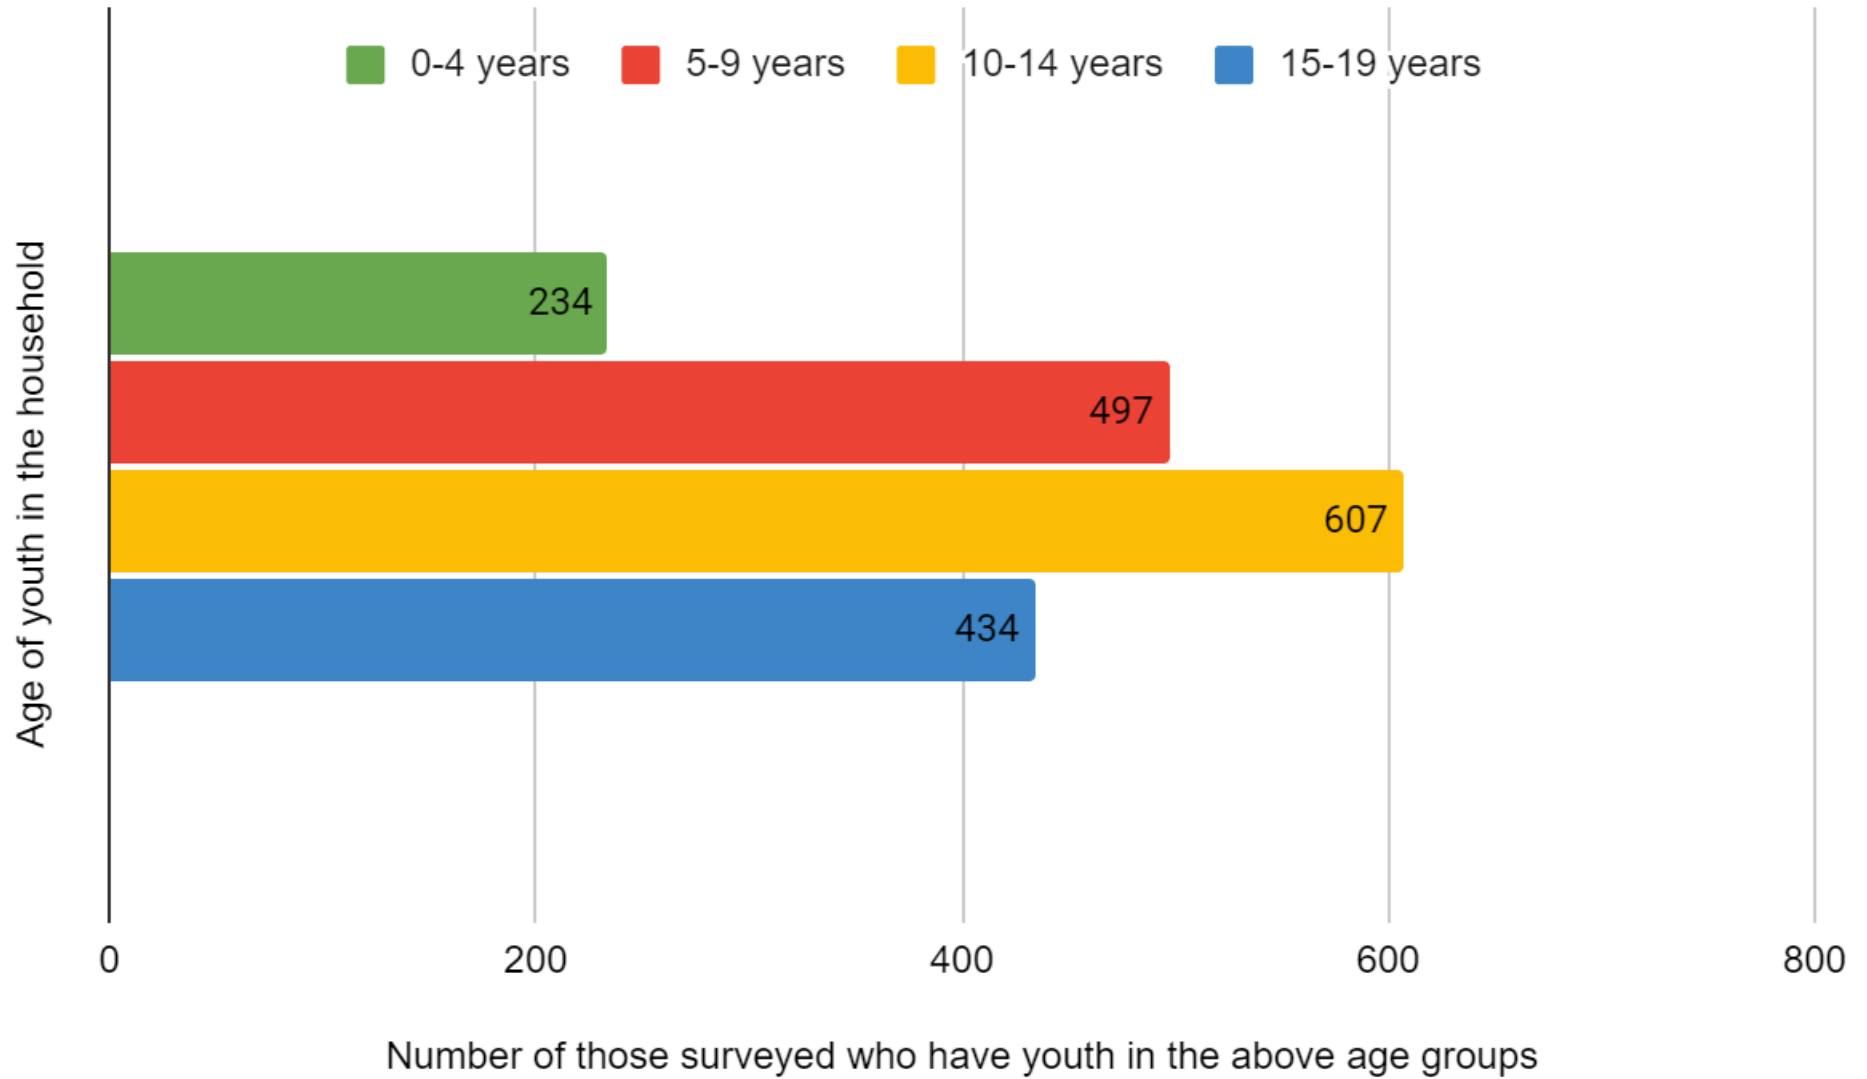

How many people are in your household?

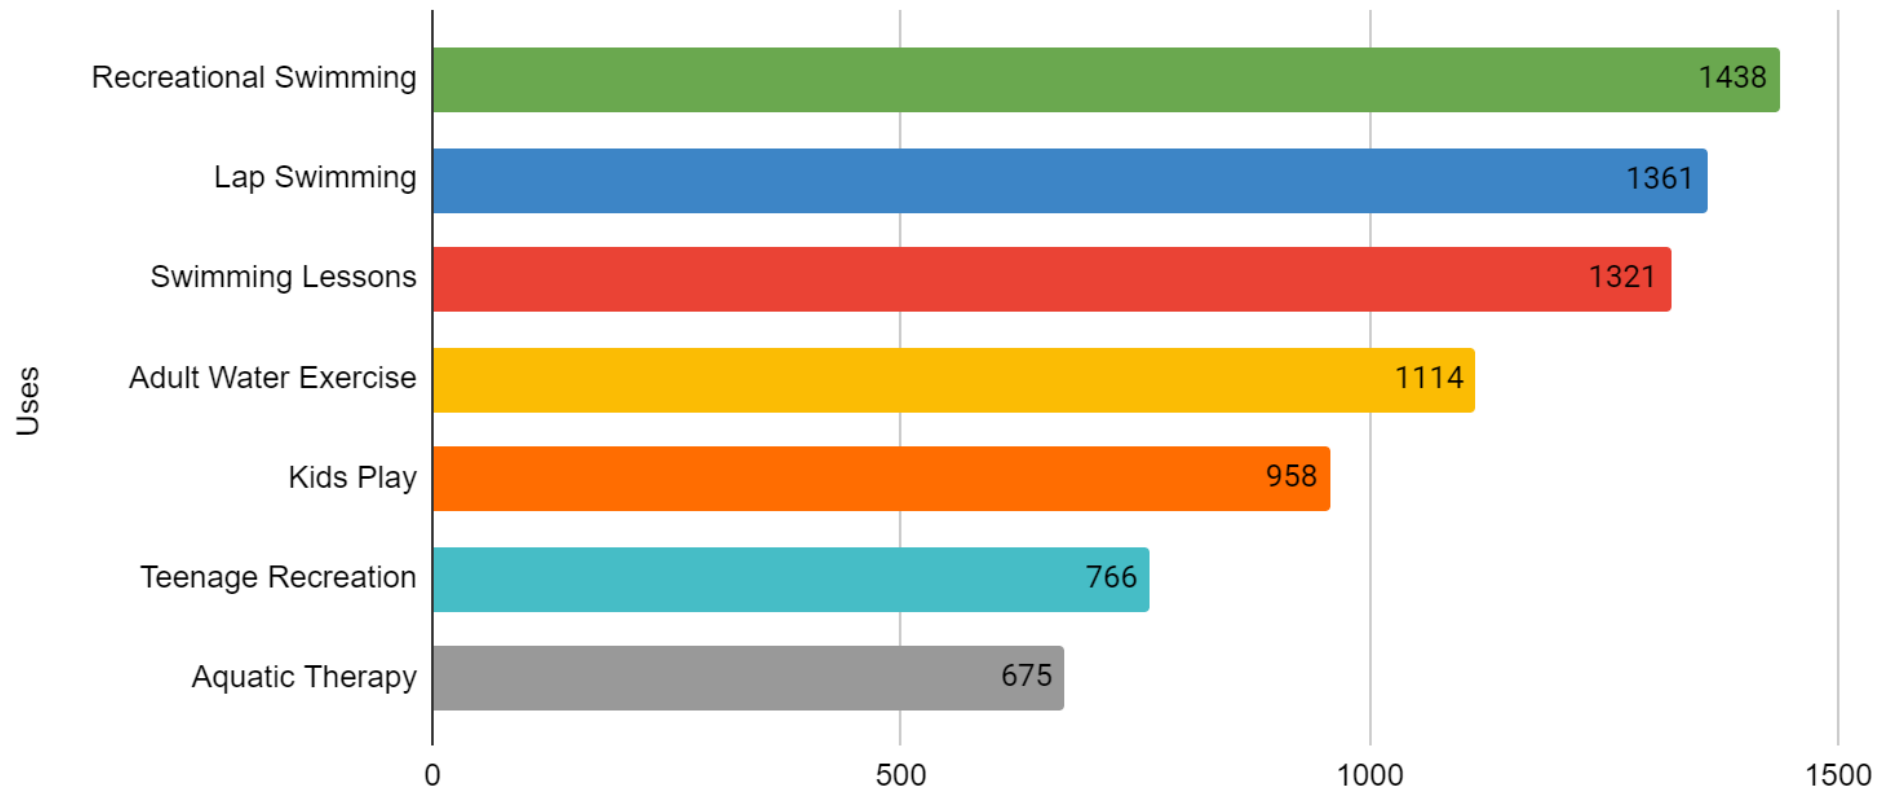

Do you have youth in your household?

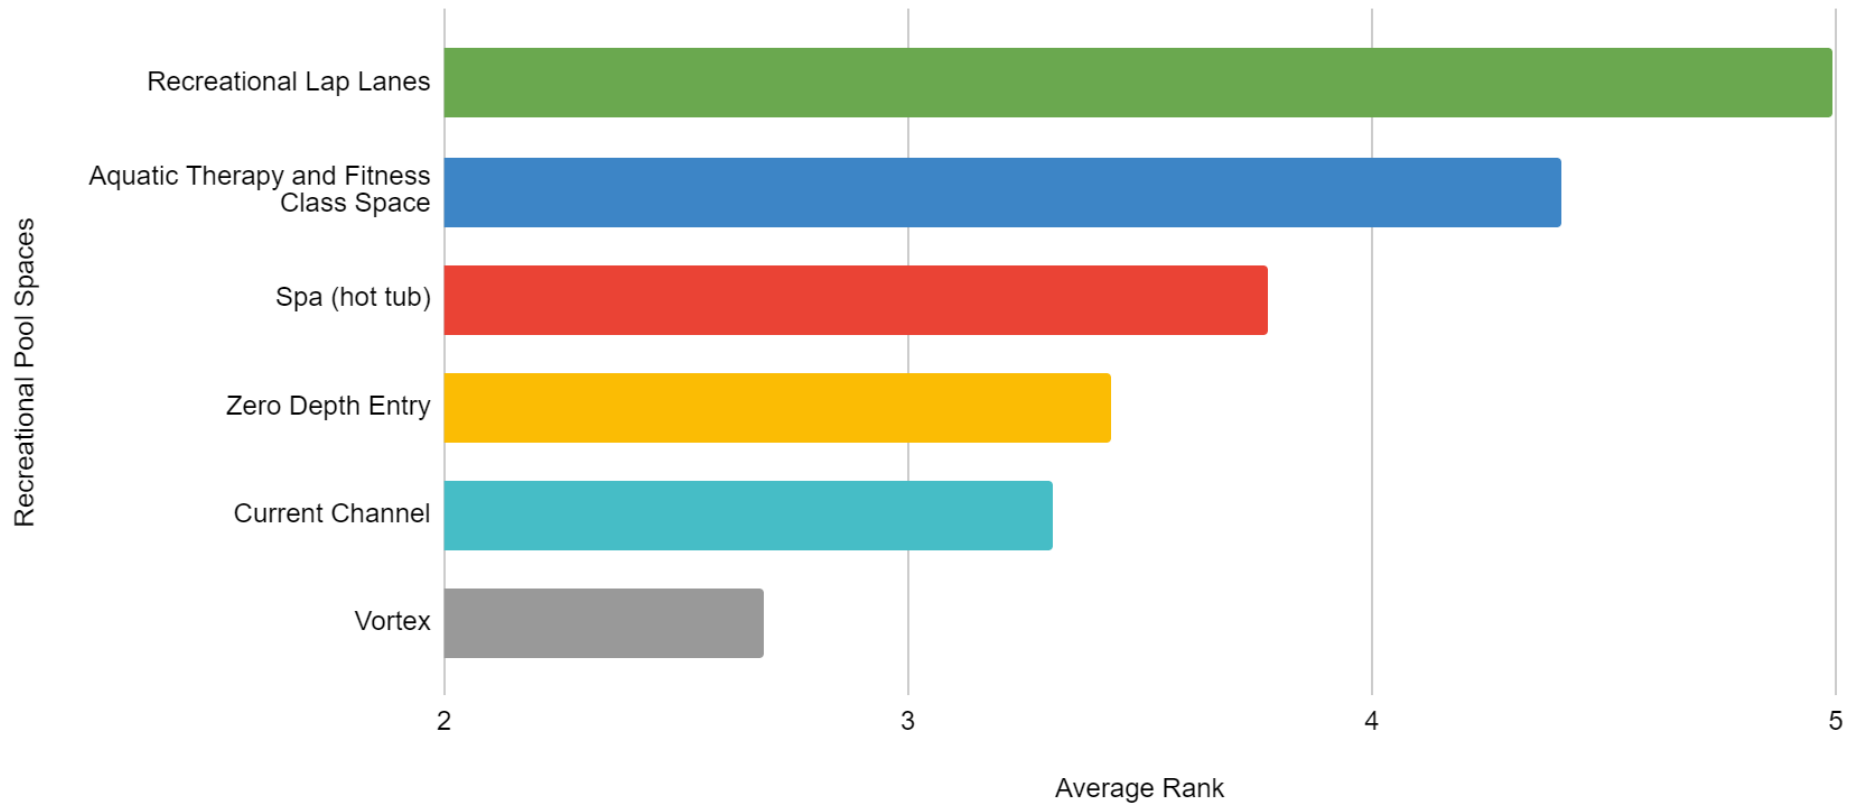

If you have youth in your household, which age group(s) best describe them?

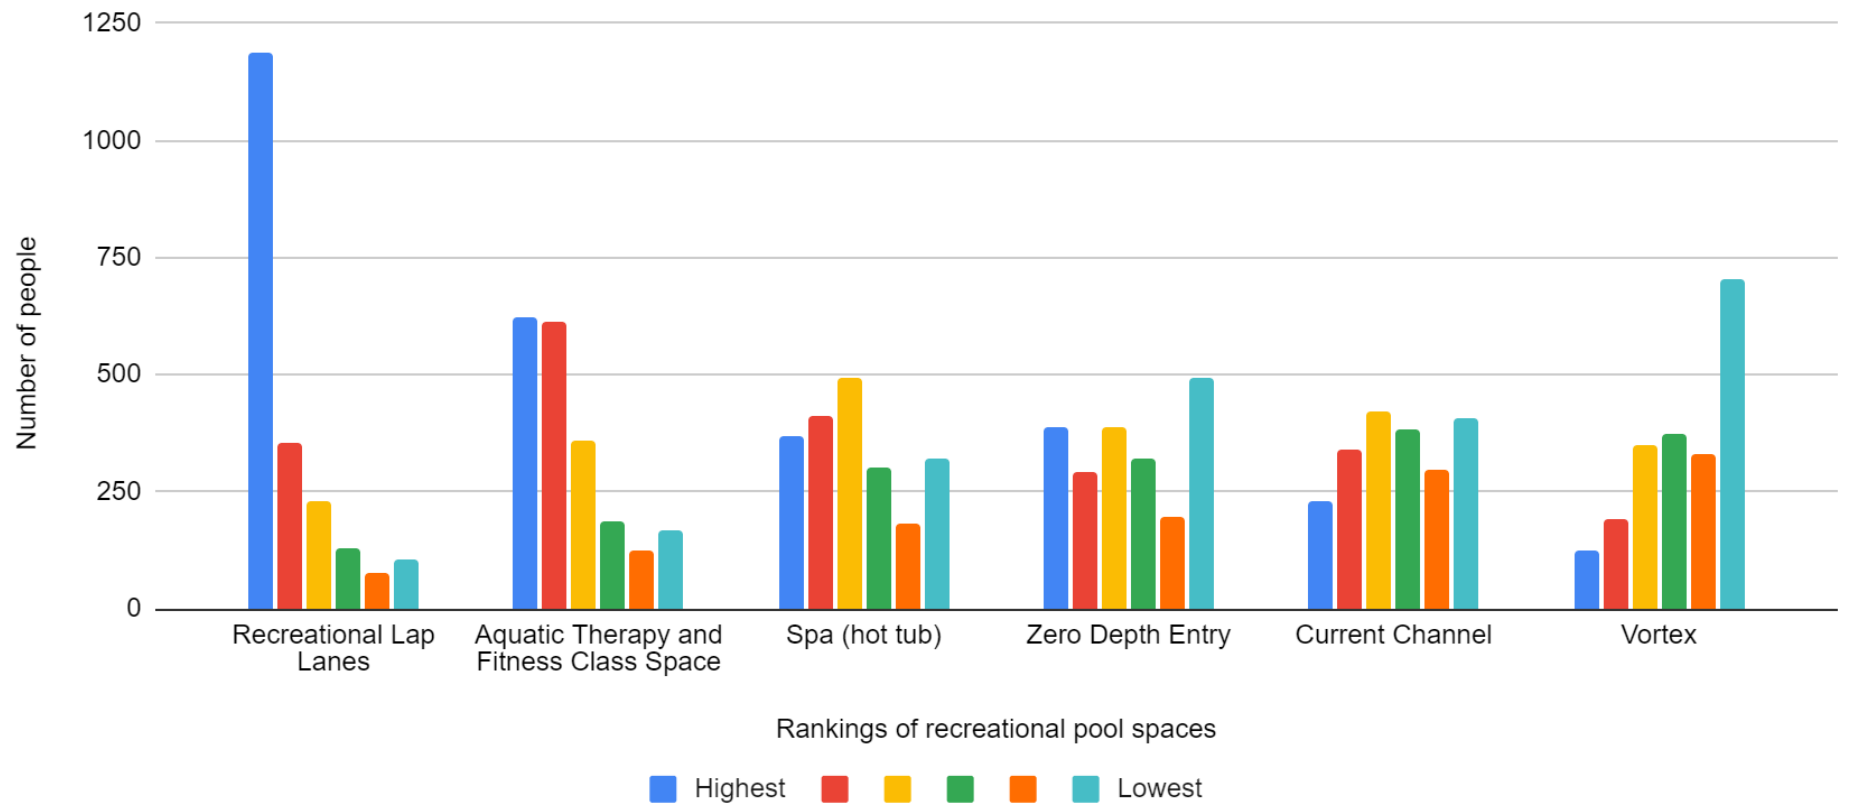

What uses would you like to see at the recreational pool?

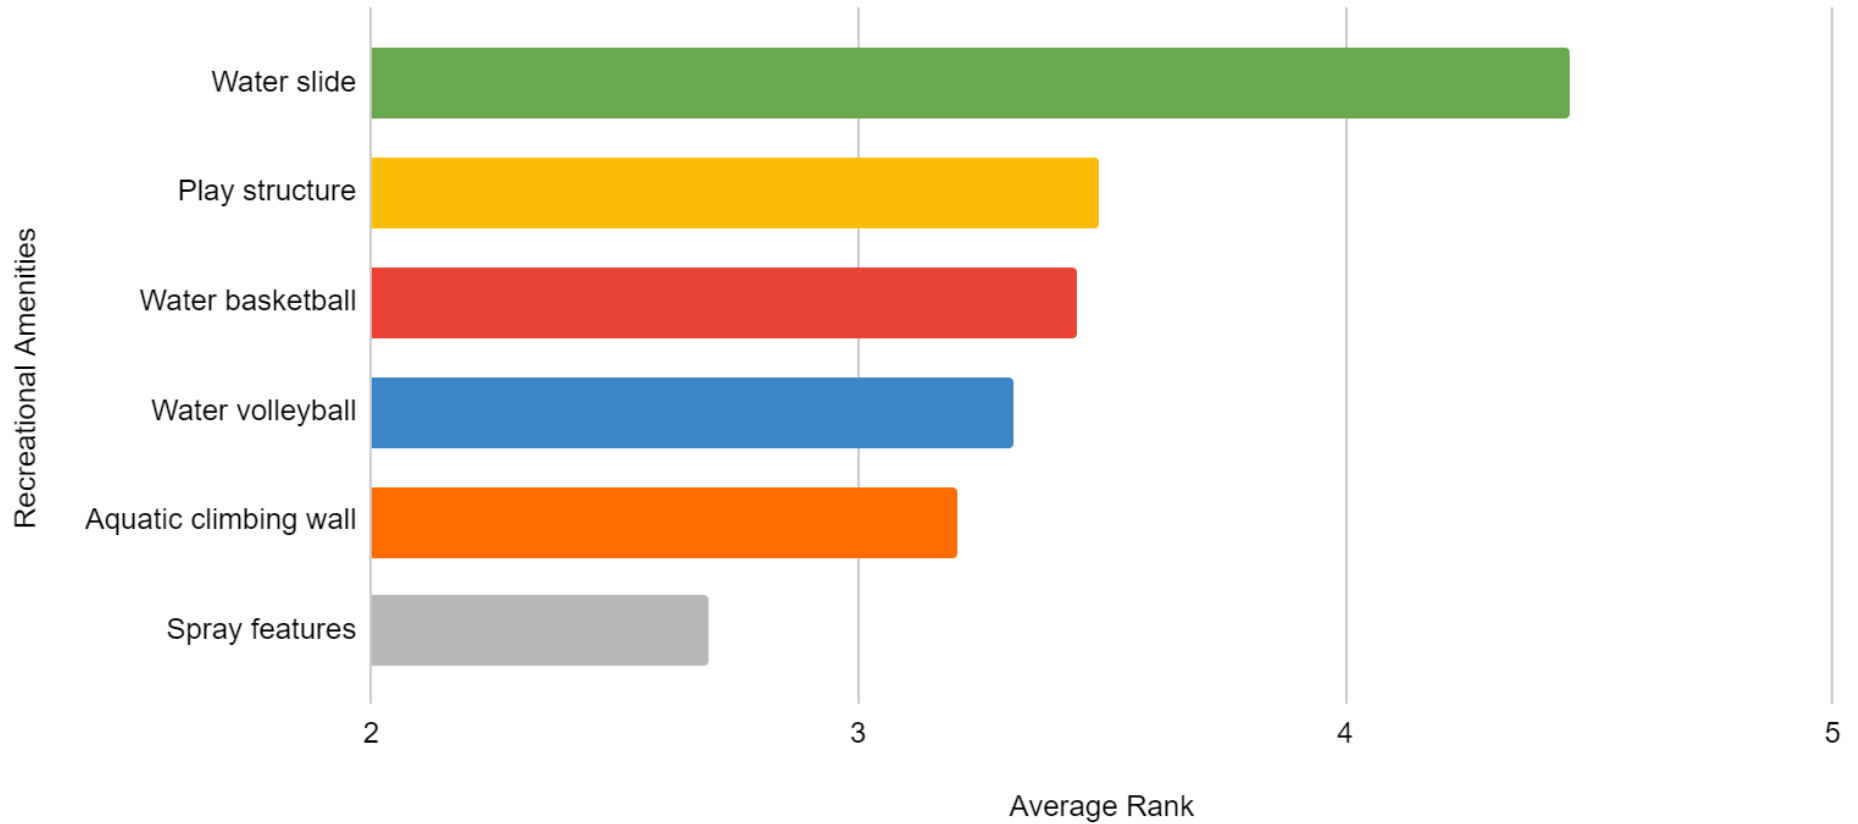

Prioritize which recreational pool spaces you feel are most important

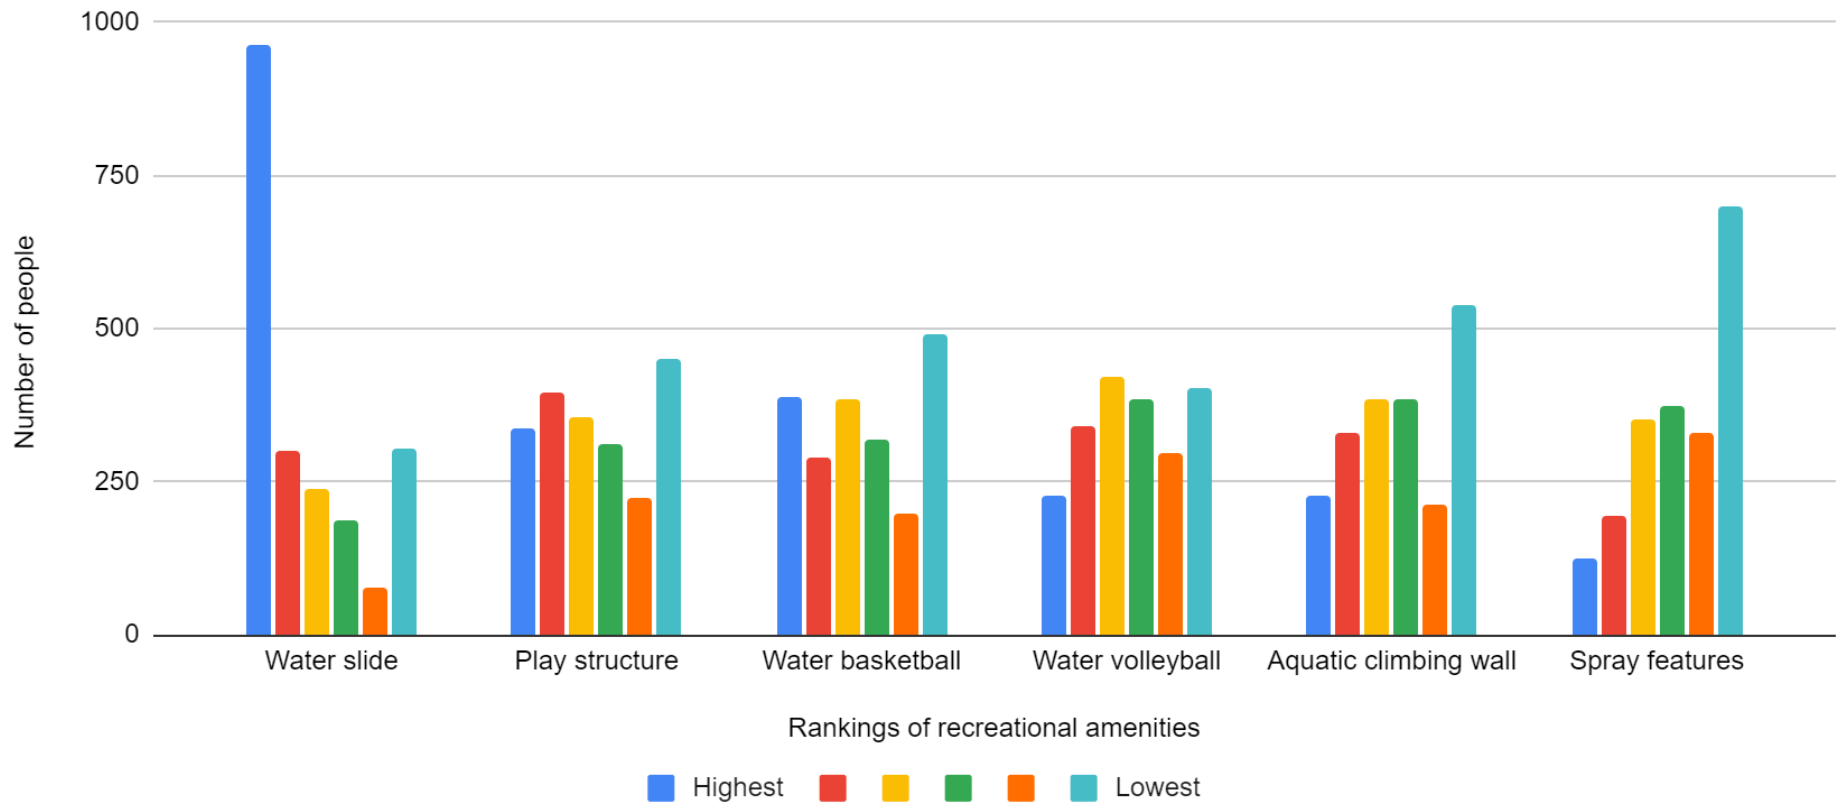

Prioritize which recreational pool spaces you feel are most important

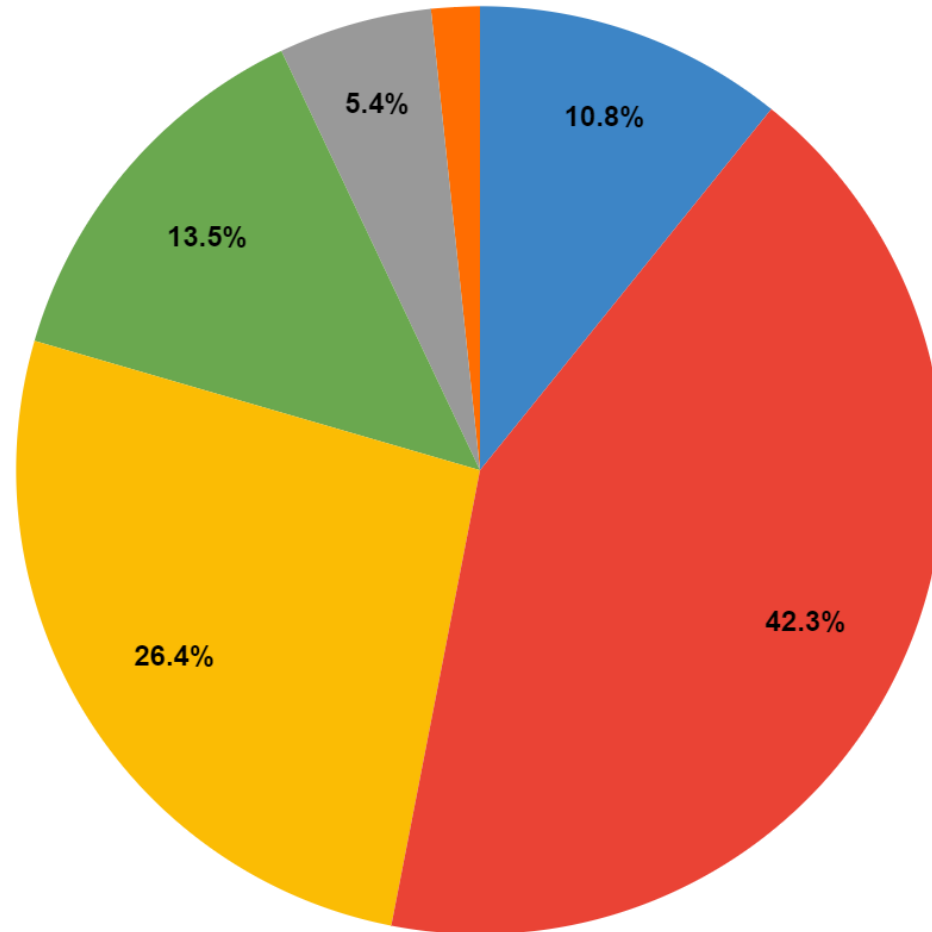

Prioritize the recreational amenities you feel are most important

Prioritize the recreational amenities you feel are most important

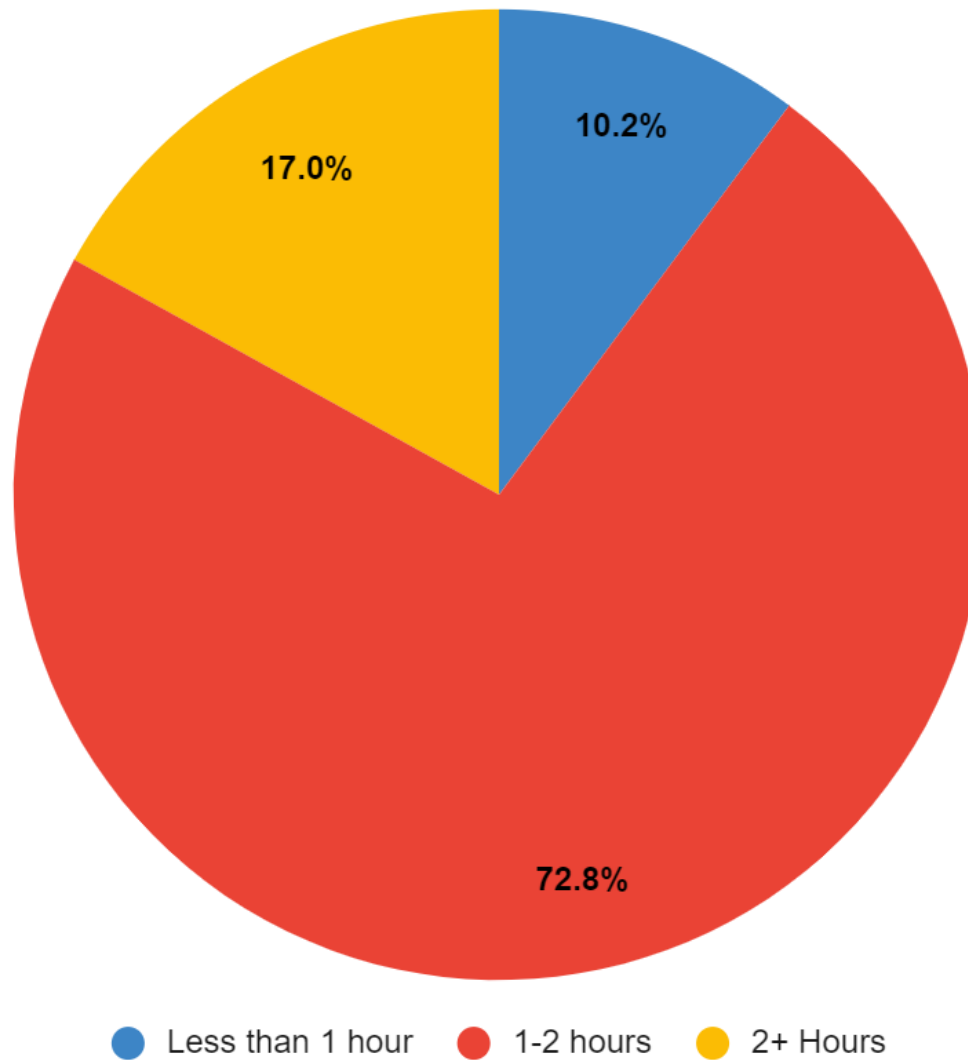

If the recreational pool has amenities that you desire, how often would you see your household using the recreational pool?

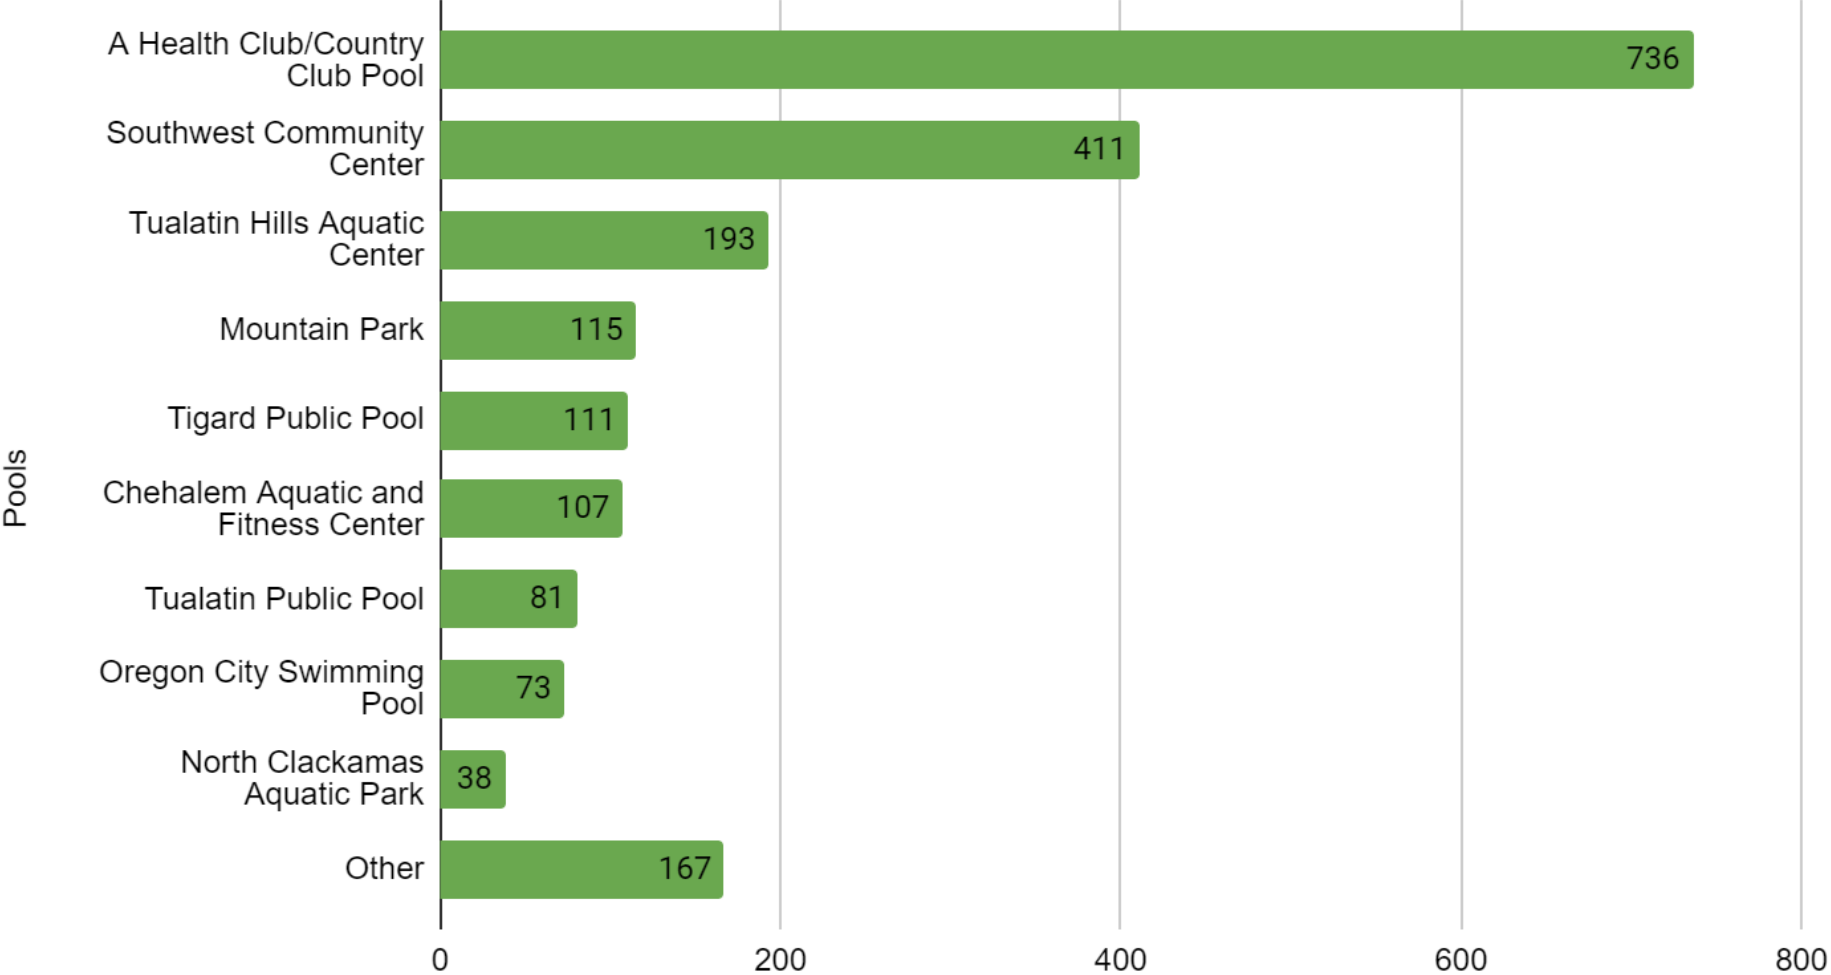

● Everyday ● 2-3x of times a week ● 1x a week ● 1x a month ● Never ● Other

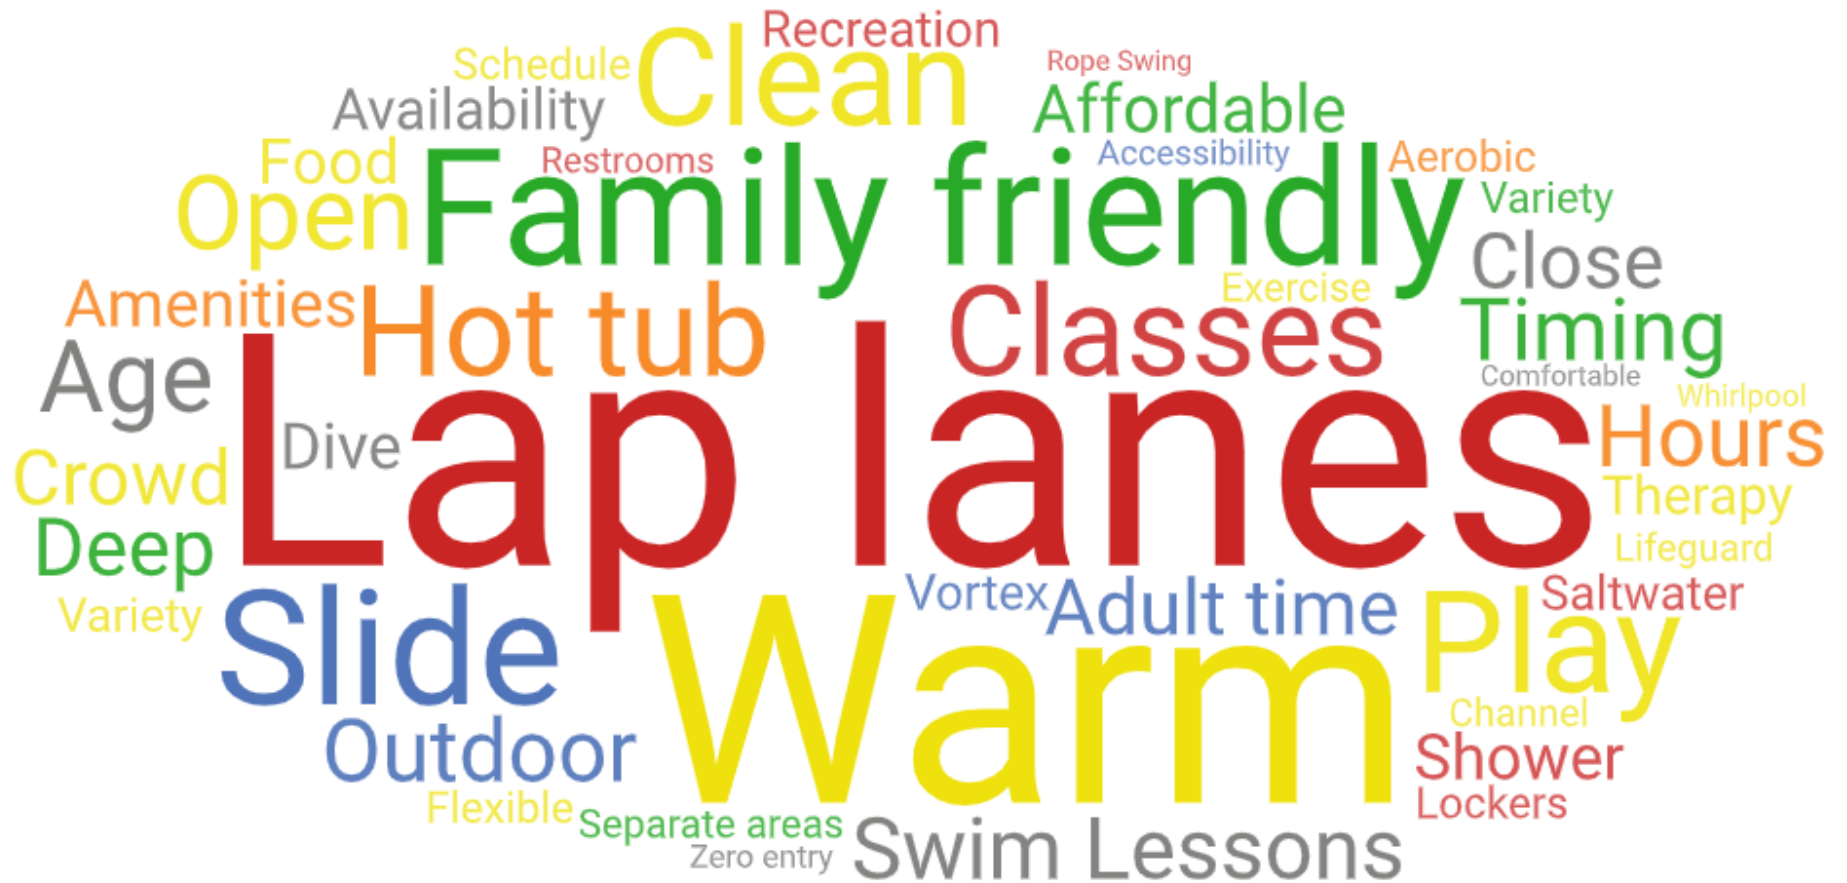

If the recreational pool has amenities that you desire, how many hours will you/your family spend at the rec pool during each visit?

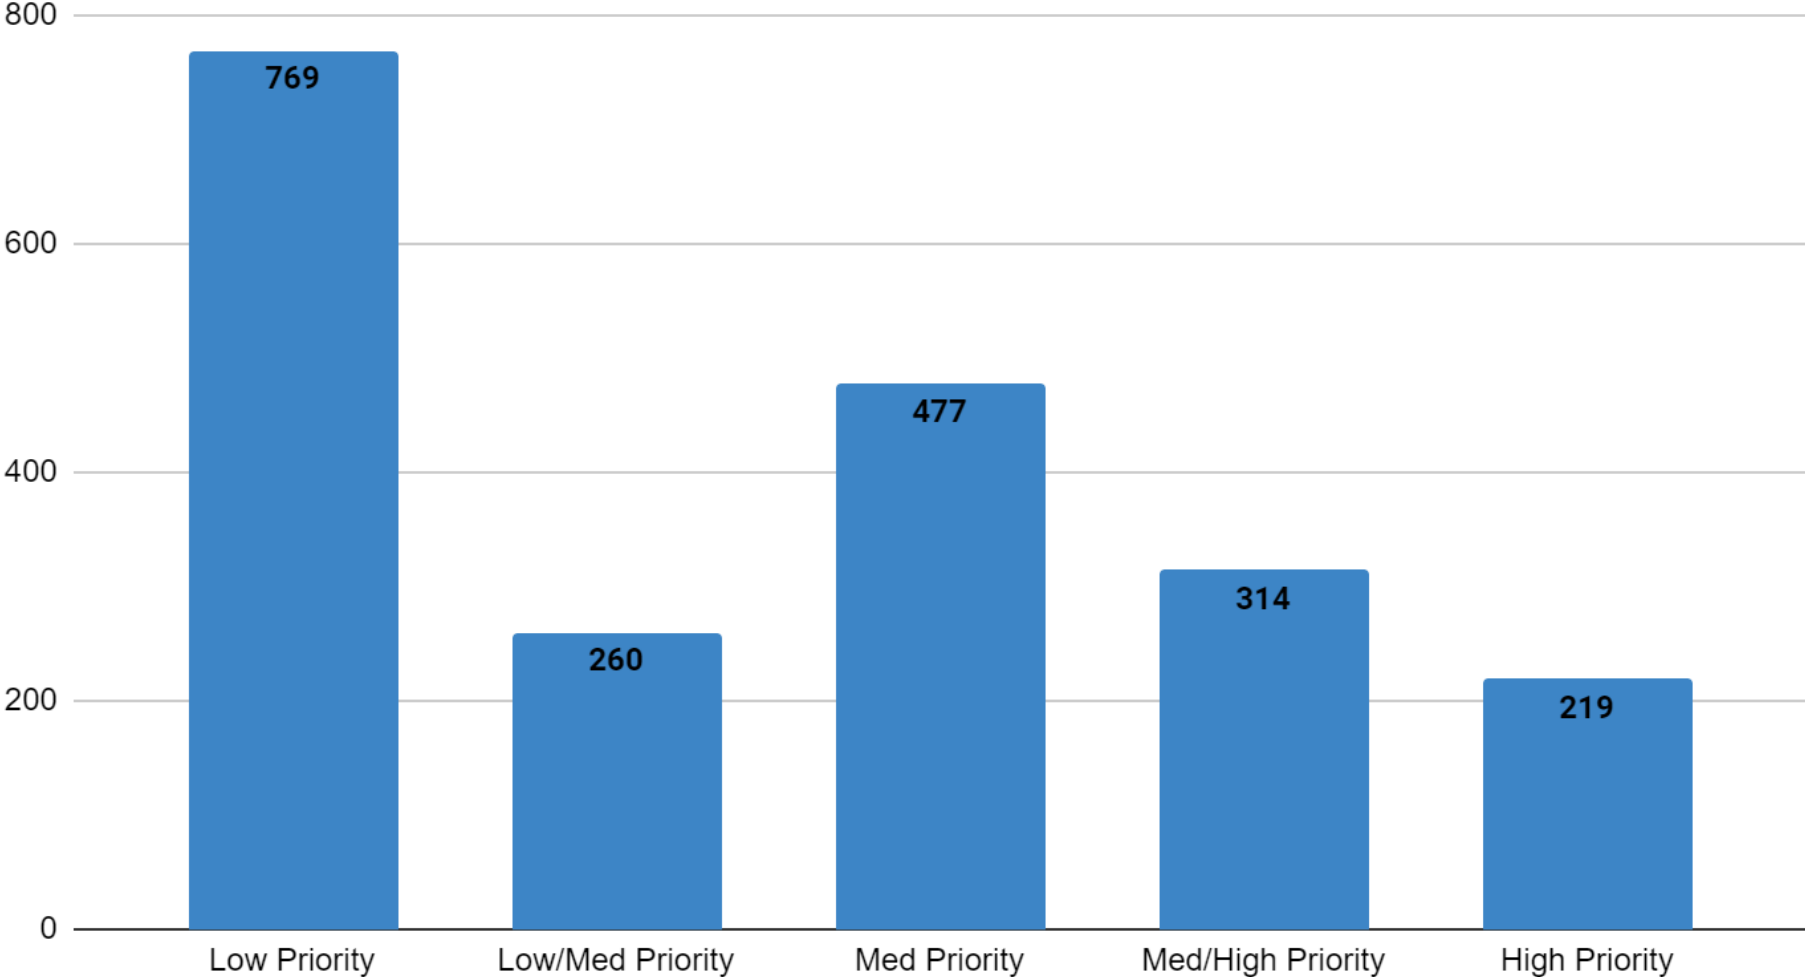

What other recreational pools do you use?

What do you like about the pools that you use?

How important is a rentable party space adjacent to the recreational pool?

Additional comments

Main Categories from the 735 written comments

Overall comments

- Thanks/excitement for the pool (100)
- Comments related to the competitive pool not recreational pool (48)
- Don't wanting the pool/waiting until after COVID (24)
- Concerns about taking away from the golf course (20)
- Concerns about going over budget or need to have transparency around costs (20)
- Location – concerns of where it is located (18)
- Schedule– would like this pool to be built quickly (17)

Programming comments

- Timing of programming and/or ensuring there is adult only times (50)
- Affordability (17)
- Swim Lessons – Need to be accessible and affordable (17)
- Lifeguards – need for quality and/or quantity (16)
- Clean – concerns about cleanliness of the pool, locker rooms, and/or showers (14)
- Concerns that it will be crowded (9)

Design comments

- Include elements for all ages (37)
- Quality and space of change room/lockers (34)
- Outdoor pool (30)
- Keep the pool simple (24)
- Deep well/diving (24)
- Distance of lap lanes (23)
- Preference for warm water (19)
- Traffic/parking concerns (19)
- Ensure there is lap lanes (18)
- Accommodation of disabilities (13)
- Saltwater system (12)
- Separate pools – lap lanes and kid's area (8)
- Make the pool big (7)
- Concerns of air quality (5)
