VOLUNTEER TO HELP IMPROVE LAKE OSWEGO'S NATURAL AREAS

LAKE OSWEGO – The City of Lake Oswego has over 400 acres of natural area parks. These areas provide wonderful recreational space for the community as well as vital habitat for plants and wildlife. Volunteers provide invaluable assistance in keeping these natural areas beautiful and healthy.

Volunteers are needed to help remove invasive English holly from the Hallinan Natural Area. You can help by volunteering at the Hallinan Holly Haul Away (Part II) on Saturday, June 14 from 10 a.m. – 12 p.m. Volunteers will meet at the end of O'Brien Street, located north of Hallinan Natural Area, and help haul out already-cut holly from the park into drop boxes.

For more information on this and other events that benefit our natural park areas, contact Alia Johnson at 503-534-5742 or atjohnson@ci.oswego.or.us.
