## Title of Document: 1.1.2 LOPR\_Citizen Advisory Boards/Committees

The City Council may create standing citizen advisory boards, committees or commissions to aid the Council in the conduct of public affairs. Advisory boards are standing committees not required by state law and are appointed by the Council to advise and make recommendations to the Council regarding topics specified in the Committee's enabling provisions. Commissions mean a standing committee that is required by state law or to which the Council has delegated final decision-making authority.

The City Council appoints all of the members to the City's boards, commissions, and committees. All terms are three years, except the Budget Committee and Planning Commission, which are four years. Position vacancies are advertised in the City's newsletter, Hello L.O., and the local newspaper. A General Board & Commissions application will be posted to our Boards and Commissions Vacancies page on April 15 and will close on May 31.

The [Boards and Commissions List](#) provides a description of all the boards, commissions, and committees duties.

Specifically, the **Parks, Recreation and Natural Resources Advisory Board** advises and assist the City Council and staff in the provision, operation, conservation and protection of the City's parks, open spaces, recreation facilities, community centers, programs and opportunities, natural resources and environmental quality for the health and well-being of the residents of Lake Oswego. It has nine citizen members and two youth members.

The Parks, Recreation and Natural Resources Advisory Board (PARKS Board) meets on the third Wednesday of every month in the Maintenance Center Willow A Room, 17601 Pilkington Road.
