

Satisfaction with Parks & Recreation and Top 3 Areas of Focus Going Forward

Parks and Recreation

Ninety-four percent (94%) of the residents surveyed, *who had an opinion*, were “very satisfied” or “satisfied” with the appearance and maintenance of City parks. Other areas in which residents were “very satisfied” or “satisfied” include: proximity of parks to their home (90%), quality of facilities (89%), quality of events provided (89%), quality of outdoor athletic fields (86%), and preservation of natural areas (80%). Residents were least satisfied with the quality of Youth and Teen opportunities (58%).

Based on the sum of their top three choices, the parks and recreation services that residents thought should receive the most emphasis over the next two years were: 1) preservation of natural areas, 2) appearance and maintenance of City parks, and 3) quality of facilities.
