Luscher Area Task Force

The purpose of the Luscher Area Task Force is to craft recommendations for programming and facilities as it relates to urban agriculture and environmental education in the Luscher area. The Task Force's work is guided by the principles and public outreach results within the Luscher Area Master Plan (2013), in addition to guidelines set forth in the Agricultural Plan (2017). Meetings are open to the public and will be held twice per month. Task Force members represent the following entities and organizations:

- Parks, Recreation and Natural Resources Advisory Board
- Friends of Luscher Farm
- Friends of the Rogerson Clematis Garden
- 47th Avenue Farm
- Luscher Community Gardeners
- Lake Oswego Parks and Recreation Staff

Meeting information including time and location, minutes and agendas can be accessed from this webpage.
