LAKE OSWEGO PARKS & RECREATION

2020 SUMMER CAMPS

REVISED IN COMPLIANCE WITH OREGON HEALTH AUTHORITY GUIDELINES
2020 Summer Camps
Thank you for choosing summer camps with Lake Oswego Parks & Recreation! We know there has been a lot of change and uncertainty this year and we are grateful for your patience and continued support. Inside this guide are a variety of summer camps that align with the Oregon Health Authority’s summer day camp guidelines. Each camp is designed to give a wide range of safe camp experiences and F.U.N.!

Inclusion Support Services
Due to the close contact nature of our Inclusion Support Services, we have made the challenging decision to suspend this service for Summer 2020 to remain in accordance with physical distancing guidelines. Please call Cydny Fletcher at 503-697-6589 if your child is currently registered for camp and requires inclusion support or if you have questions about your child’s needs during camp.

Scholarship Program
The Lake Oswego Parks & Recreation Department offers a limited number of scholarships for residents needing financial assistance. Forms located at www.ci.oswego.or.us/parksrec

How To Register
Online registration is strongly recommended due to continued closures of some city facilities. Please register online at www.LOParks.org or via phone 503-675-2549

Before/After Care Available!
We offer before and/or care for many camps held at Christ Church Parish and Lake Oswego Jr. High. Availability of care is listed within the camp description. Pricing is shown as optional during online registration. Select optional camp pricing when you register or call 503-675-2549. Before and after care hours are 7-9am and 4-6pm.

Jr. Camp Counselor Program
The application deadline for the JCC program has been extended to May 31 and applicants will be contacted in early June to schedule virtual interviews. Training for accepted students will resume in June and volunteers will be scheduled for camp shifts beginning July 6. Please contact Cydny Fletcher at cfletcher@ci.oswego.or.us for any questions regarding schedules, interviews or safety protocols.

KEEPING YOU CONNECTED
Our summer camps will look a bit different this year but we can’t wait to see you! We are taking extra precautions to minimize risk and exposure to Covid-19 that align with the Oregon Health Authority, Center for Disease Control and Oregon Governor’s office recommendations. Please read below for some of the changes we will be implementing. One thing you can count on staying the same is our commitment to safety, learning and fun!

No more than ten (10) campers per group. All our camp registrations have been limited to 10 or are being established into groups of 10. Campers will not be interacting with other camps or groups. Due to this restriction, we will not be permitting registrations for both AM/PM camps in the same week.

Limiting shared equipment. Campers will be provided individual supply kits that will be theirs to use throughout the week or equipment solely designated for a single group. Any shared materials will be sanitized between uses or practices.

Promoting physical distancing. Campers will be encouraged to remain 6 feet from each other during camp projects, activities and games. Contact sports are taking a break this summer! Sports camp offerings have been modified to meet OHA guidelines.

Increased cleaning, hand-washing, and sanitizing. Our staff are working hard to make sure every surface, restroom and crayon is clean and safe for each camper to use. We will be encouraging campers to increase their awareness of personal hygiene and cleaning protocols.

Masks? Yep! Our staff will likely be wearing masks when you see us. But don’t worry, we’re still smiling and making you feel welcome at camp! Campers will not be required to wear masks at this time.

A special thanks to our Summer Safety Sponsor:
