ADULT COED SOCCER LEAGUE RULES & REGULATIONS

This is a **RECREATIONAL LEAGUE**. We have developed a few distinctive rules and guidelines for our Adult Coed Soccer League. Please consider the following rules and regulations in addition to our team & player eligibility guidelines to determine if this league meets your needs.

1. **Coed Open (ages 18 & older):** **(7v7 Format)** Two Divisions (A & B) may be created if enough teams register (at least 10).
2. **Coed 35+ (ages 35 & older):** Teams can have up to four (4) women between the ages of 30-34 on their roster. All other players must be ages 35 & older. Two Divisions (A & B) may be created if enough teams register (at least 10).

Both divisions are affiliated with Oregon Adult Soccer. In order to participate in this league, all players will need to have a valid OASA player card. Players unable to present an OASA player card to the referee at their game will not be allowed to play.

Rules Governing Play:

The play will be governed by FIFA rules with the following additions, exceptions and clarifications:

Team & Player Eligibility Guidelines

1. ROSTER GUIDELINES

A. Player Requirements

- i. **Open (18+) Division:** 10-player minimum; 15-player maximum
- ii. **Over (35+) Division:** 14-player minimum; 25-player maximum

B. To be considered a 'resident' for participation in sports leagues, a player must fit into one of the following categories:

- i. An individual who rents or owns property inside the incorporated city limits of Lake Oswego.
- ii. An individual who lives within the Lake Oswego School District boundaries
- iii. An individual who owns a business inside the incorporated city limits of Lake Oswego.
- iv. An individual employed within the incorporated city limits of Lake Oswego or within Lake Oswego School District boundaries

C. Only persons who are properly registered for the Lake Oswego Adult Coed Soccer League and who are listed on the team roster may play*. The roster and a player photo I.D. must be presented to the referee, before each game (rosters are contained in the field clipboard). If the player in question does not provide the photo I.D. upon request, he/she cannot play in the game.

- i. **Game referees will OASA player cards before each game.** A player must be listed on the official roster contained in the clipboard to be eligible to play. If not listed on the roster then they cannot play. The team manager should contact the office the following work week to determine why the player was not eligible.
- ii. ***In order to avoid a forfeit, a team may pick-up current league-registered players who are listed on another league team's roster. (Players listed on the 'Free Agent list' are not registered on a team and therefore, not eligible to play). When collecting OASA player cards, if the borrowed player is**

from a team that is not your opposition, the manager needs to contact the field supervisor at 971-563-8038 so they can verify for the referee this player is officially registered to play (the field supervisor will have a notebook containing all team rosters for reference). The borrowed player's first and last names are to be written on the game report. Players must meet the age guidelines of the division.

- iii. All players, must be pre-registered online and be included on the official roster to be eligible to play in a given game. Late adds can register with the Parks & Recreation registrar at 503-675-2549, M-F from 8am-5pm or online at www.loparks.org.

D. Proof-of-residency:

i. Proof-of-residency and proof of employment for registration purposes for players residing within corporate city limits of Lake Oswego, residing within the L.O. School District boundaries or employed in Lake Oswego will **not** be required, unless requested by the Parks & Recreation Department or another manager. **A note about the honor system:** In striving to simplify the registration process, we are not requiring proof-of-residency or proof of employment for players who reside or work within corporate city limits of Lake Oswego or within the Lake Oswego School District boundaries.

F. Roster Authenticity

Managers are responsible for the authenticity of their submitted team roster. Players found playing without being on a team roster (i.e. receiving a yellow card or through injury) will not be eligible to be added to a roster and play for the remainder of the season. Teams found with a player claiming falsified identity or residency will jeopardize the team's participation in the league. Managers must be willing to collect and provide player I.D. or proof-of-residency upon request from the Recreation Supervisor or another manager.

2. SPACE IS LIMITED

In the event that we have more teams than we have space for in a specific division, the team with the highest percentage of residents will get in regardless if they are a returning or new team and have met the registration deadline of **August 28**.

Teams considered for entry into the league must have completed the registration process by the deadline, **Sunday, August 28**. Players, fully registered on a team roster by **Sunday, August 28** will be tallied as follows:

- Players will receive points from only one category. For example, a player residing in L.O. and employed in L.O. will receive one point - the category that gives them the highest point value.
- 1 point will be given for each player residing within corporate city limits of Lake Oswego or paying property taxes to City of Lake Oswego
- ½ point will be given to players who reside within Lake Oswego School District boundaries
- ¼ point will be given to players who are employed within corporate city limits of Lake Oswego or within the Lake Oswego School District boundaries.

3. Shin guards must be worn at all times on the field. Metal cleats are not allowed.

4. Minimum number of players required

- a) The minimum number of players to start a 7 v 7 game is five.
- b) The minimum number of players to start an 11 v 11 game is seven.
- c) If a team cannot field the minimum number of players within 10 minutes of the scheduled start time, the referee will call a forfeit and will not be required to referee the game.

5. The goalkeeper can be male or female. The remaining players must not exceed an even split (3 for 7v7 games, 5 for 11v11). Teams must field a minimum of two (2) female field player for 7v7 & three (3) female field players for 11v11 . During the game, if the number of female players goes under the 3 minimum (i.e. due to injury, red card, etc.), the game can continue as long as the minimum total players are still on the field (ex. 5 males/2 females).

6. Numbered jerseys or matching shirts are not required, but players must wear same-colored shirt.

7. Dogs are not allowed on the City or School District's turf fields. The field supervisor will first give a warning to have dogs removed. If dogs continue to be a problem, the Park Ranger may be called in and has the authority to write a ticket for the facility violation.

8. Players can only play with a cast if it is padded and the referee deems it is safe (This is at the referee's discretion).
9. A game is declared official if at least one complete half of the game has been played. If less than one half of the game has been played, it is declared "no contest" and will be rescheduled unless both teams mutually agree otherwise (per OSAA guidelines).
10. If any team fails to play a game for any reason, the opposing team will receive a 1-0 win and the game will count for all purposes.
 - a. A forfeit is not eligible to be rescheduled. We can only reschedule games due to inclement weather, no-show referees and/or facility issues.
