Info from submit a tip - a white van was beckoning me into the crosswalk while the crosswalk was closed at this location, occ'd 8:25am. he seemed to have a dubious unsteady grip on the brakes while simultaneously trying to make me walk the crosswalk and intimidate me with the veh. He seemed to be doing this for the enjoyment of harassing or picking on me. Sometimes I see people doing something similiar to somebody told them it generates magic power or somehow grants wishes.
