1 moving truck blocking 1/2 the road going in/out of entrance, rp tried to talking to business owner (not sure which one) and he wasn't reasonable ; rp concerned for kids that are in the area crossing the street there.

2L1 - lop00017 - Spoke to RP on phone, he shared concerns about children being close to truck. During the time I was present, I saw no children near moving truck, they were all walking in the parking lot, away from the truck. Also, spoke to business owner who was moving and only using the truck on a temp basis. Both partys spoke and came to an understanding. Truck was also parked on private driveway open to public. No further action.
