Hello there and Happy Spring!

I am writing to let you know that the City of Lake Oswego Parks and Recreation Community Events are back hosting the usual events that we have in the past now that the pandemic seems to be easing off and the guidelines are relaxing enough for us to do them safely. Think....summer concerts, 4th of July, Farmers' Market and other fun events.

We will be hosting our volunteer orientation and training on **Thursday, May 19<sup>th</sup> from 5:30-7:30 pm** at Foothills Park and you are encouraged to attend. We will be serving light refreshments and there will be an opportunity to sign up for volunteering for events at the end. We will shift to an indoor location if the weather doesn't cooperate with us. Please RSVP to me at [nperin@lakeoswego.city](mailto:nperin@lakeoswego.city) so I can have an accurate count for food and inform you of any changes.

In the meantime, we would like you to complete and return the enclosed **annual** forms for our records. Thank you for understanding that these papers need to be completed every year according to the City's policies and procedures. We have enclosed a stamped, return envelope for your convenience.

If you know someone who may be interested in volunteering, please encourage them to contact me so I can have them start on the paperwork.

Thank you for your continued commitment to our community. We appreciate your assistance and incredible support for each event. We cannot do these special events successfully without you!!

I look forward to seeing you soon!

Warmly,
