Mr. William Todd Walton, Trustee:

The Lake Oswego Parks and Recreation Department was contacted by a concerned citizen regarding the placement of landscaping, lighting and miscellaneous yard decorations on the west side of your property and its potential placement on Bryant Woods Park property. Upon inspection and research by our surveyor, it is apparent that portions of the landscaping and miscellaneous yard decorations on the West side of your property are indeed on the City-owned Bryant Woods Park property. (See attached survey marked upon Assessor's map)

This letter is notice to you to remedy this trespass situation for the portions of landscaping and miscellaneous yard decorations on Park property. We are requesting that all portions of landscaping, miscellaneous yard decorations and irrigation systems be removed from Bryant Woods Park property within 3 months of this letter, July 7, 2021.

Please contact me with any questions you may have regarding this issue.

Sincerely,

Ivan Anderholm, CPRE
Director
Parks and Recreation Department
