

Instructions for Testifying IN PERSON at a Development Review Commission Hearing

- Individuals will have 5 minutes to testify. Recognized neighborhood associations, homeowners associations, government or government agencies, or other incorporated public interest organizations will have 10 minutes. Answering questions asked by members of the DRC will not count towards your time. The Deputy City Attorney will alert you when you have one minute remaining in your testimony and when the time limit is up.
- If you would like to cede your time to another person, you must be present at the meeting either in person, by phone, or by computer. No person's or other representative's testimony may be increased to greater than 10 minutes.
- If you plan to present slides during your presentation, please email a copy of the slides to kkluge@lakeoswego.city by noon on the day of the meeting. Your presentation will be displayed on the screen when it is your time to speak.
