Employment

2008-Present Park Ranger, City of Lake Oswego Oregon

In my role as Park Ranger I perform a large variety of public safety duties. I enforce park ordinances. I perform community outreach in the form of presentations, tours, and daily interaction with the community. I keep a daily log of my day's activities. I work collaboratively with the Lake Oswego Police Department to keep the city's parks a safe and inviting place.

2004-2008-Emergency Medical Technician Basic, Huron Valley Ambulance Ann Arbor MI

I was responsible for responding to and providing emergency medical care in emergency situations. I transported patients to area hospitals and completed thorough reports. I maintained a high level of professionalism at all times. I voluntarily updated my knowledge of emergency medical techniques through continuing education and training. I also participated in a number of community presentations and provided medical support for community activities and gatherings.

2006-2008-Firefighter (paid on call), Pittsfield Township MI

I was responsible for protecting the community during emergencies. My duties included fire suppression, life safety, and medical care. These experiences taught me how to work effectively as a member of a public safety department. I was also responsible for public education, such as giving presentations at the township elementary school.
